Camden, N. J., Dec. 27.—United States Senator William J. Sewell died at his home here at 9:30 a. m. today. He suffered from diabetes complicated with stomach and heart trouble. Senator Sewell's illness had extended over a period of two years, but his condition was not considered serious until about a year ago. His constant attention to the duties devolving upon him in his official capacity resulted, in 1899, in a collapse. A trip to Europe was beneficial and he soon recovered sufficiently to resume his duties. Toward the end of the last session of congress he developed a complication of diseases and, acting on the advice of his physicians, again visited various health resorts in Europe. Upon his return his condition showing no improvement, Senator Sewell went to Asheville, N. C., where he remained two months. He returned to his home about four weeks ago and for a few days a slight improvement in his condition was noted. Within the past two weeks a succession of sinking spells greatly weakened him and compelled his physicians to abandon the hope of prolonging his life. When death came the senator's family was gathered at his bedside. He had been unconscious for some time before the end.

William J. Sewell was born in Ireland in 1835 and came to this country at an early age. As a young man he engaged in mercantile pursuits and when the war of the rebellion broke out he was commissioned as captain of the Fifth New Jersey volunteers. He served during the war and was brevetted brigadier general for distinguished services at Chancellorsville, and major general for gallantry services during the war. He was wounded at Chancellorsville and Gettysburg. After the war he became connected with the railroads in New Jersey, branches of the Pennsylvania railroad system. He was elected a state senator from Camden county in 1872, re-elected in 1875 and again in 1878 and was president of the senate in the years 1876, 1879 and 1880, when his party was in power. While yet a member of the legislature he was elected to the United States senate, in 1881, as the successor of Senator Theodore F. Randolph, and served until the close of his term in 1887. He was repeatedly a delegate to national republican conventions and was one of the national commissioners of the world's fair in Chicago. In 1898, at the outbreak of the war with Spain he was commissioned a major general of volunteers, but at the unanimous request of the republican members of the senate did not take the field. He was elected to the senate in 1895 to succeed Senator John R. McPherson and again in 1901.

INTERURBAN PARTY HERE.

This afternoon a company of about fifteen ladies and gentlemen from Goshen, Elkhart and Nappanee, headed by Mayor Deahl, of Goshen, arrived in the city over the interurban line from Huntington, and were guests of Mr. and Mrs. S. L. Nelson for some time before returning. The members of the company have summer cottages at Lake Wawasee and have been at Huntington spending a few days with other Wawasee cottagers who reside in that city.

WORLD'S BOWLING RECORD.

South Bend, Ind., Dec. 27.—The world's bowling record of 300 at ten pins, the best score possible, was equalled last night at the Commercial Athletic club. The score was made by Samuel M. Robinson, a well known oil man and club member.

GETS A FINE POSITION.

Miss Mary Moffat, of this city, who is a student at Columbia university at Washington, D. C., pursuing a library course, has just been awarded a splendid position in the congressional library at Washington. The appointment is in line with the special course of studies she is pursuing, and will not in the least interfere with her work at the university. The accomplished young lady is the daughter of Rev. D. W. Moffat, D. D.

HAVING A WAGE CONFERENCE.

St. Paul, Dec. 27.—P. M. Arthur, chief of the Brotherhood of Locomotive Engineers, and J. J. Hanrahan, vice grand master of the Brotherhood of Locomotive Firemen, are in St. Paul in conference with members of adjustment committees of Great Northern engineers and firemen and officials of the system. Their mission is to secure increase in wages for the men.

HOPE FOR MISS STONE.

Constantinople, Dec. 27.—Dispatches fram Salonica report that W. W. Peet, treasurer of the Missionary society in Constantinople, has established communication with the brigands, who hold Miss Ellen M. Stone captive and hopes that the release of Miss Stone will be accomplished within a fortnight.

VOTED FOR NEW STOCK ISSUE

UTILITY PAPER COMPANY ADDS TO CAPITALIZATION.

Will Sell $110,000 in Preferred Stock—Home Telephone Bonds Bring High Figure.

The Utility Paper company at a meeting of stockholders in Fort Wayne Thursday afternoon voted to increase its capital stock by issuing $110,000 worth of preferred stock, which will be placed upon the market at once. It is understood that the new issue will be readily taken by investors, for the most part within the present membership of the company.

The new revenues are to be used in still further improving its new plant at Mt. Carmel, Ill., which was recently erected there. The capital stock has been $40,000, and under the new arrangement it will be increased to $150,000. The stock of the Utility company is practically owned by Fort Wayne gentlemen.

BRING HIGH FIGURE.

The remaining $22,000 in new bonds of the Home Telephone company were sold at a meeting of the company directors Thursday evening, bringing a price above $125 on each $100. The buyers were all within the ranks of old stockholders in the company, and the entire issue of $50,000 has now been disposed of. The additional funds realized are to be used in payment for the new building of the company, the erection of farmer lines through the country and extending its underground cable system in this city.

COMPANY ANNULS LAW LIBRARY CONTRACT.

Purchasing Committee Then Completed a Deal With an Indianapolis House.

Several weeks ago the Allen County Law Library association, through its committee, made a contract for the purchase of an extensive law library to be placed in the new court house for the use of the members of the local bar. There was vigorous competition between a number of publishing companies for the contract, and several energetic representatives were in the city to land the contract. It was finally closed with an eastern house at a price which the committee believed made the terms extremely reasonable.

The volumes were to be placed by the beginning of the new year. Yesterday, however, came the word from the company that it could not furnish the books at the price made by its agent, and turned the contract down. Without unnecessary delay the library committee held a meeting and closed a new contract for the purchase of the books from the Bowen-Merrill company, of Indianapolis, who contract to have the volumes in the city by January 1.

CHARGES AGAINST SHERIFF.

Albany, N. Y., Dec. 27.—Charges against Sheriff Samuel Caldwell, of Erie county, were presented to Governor Odell today by F. A. Abbott, of Buffalo. No announcement as to their nature will be made at the executive chamber until they have been read by the governor.

DOWN STEEP HILL

ENGINE AND TRAIN MADE A FRIGHTFUL PLUNGE.

FOUR PERSONS WERE KILLED

FORTY CARS FILED IN HEAP OF SPLINTERS.

FROG DERAILED THE TRAIN

WHILE RUNNING AWAY AT 80 MILES AN HOUR.

Scranton, Pa., Dec. 27.—An Ontario & Western railroad coal train, drawn by engine 201, ran away on the heavy eighty-foot grade going down the mountain on the Scranton division, east of Poyntelle, Wayne county, today. Near Preston Park, in passing a switch frog, it jumped the track, plunging down a hill for nearly 100 feet. The engine and forty gondola cars, all loaded, were piled in a mass. Four men were killed, as follows: Engineer Whiting, of Mayfield yard; Fireman Charles Millard, of Carbondale, and two trainmen whose names are not yet known. Conductor Smith escaped death, but is badly injured. The tracks were covered with sleet and snow and the air brakes refusing to work, allowed the train to gain such headway that it dashed down the mountain with terrible speed, passing Winwood at the rate of eighty miles an hour.

NEW OFFICIAL IN THE CITY

L. O. WILLIAMS ARRIVES FROM WICHITA, KAN.

He Will be Superintendent of Power and Equipment on Fort Wayne and Southwestern.

L. O. Williams, of Wichita, Kan., will arrive this evening from Wichita, Kan., to take the position of superintendent of power and equipment of the new Fort Wayne and Southwestern Electric line, to which he has just been appointed.

Mr. Williams has been connected with the McKinley companies for several years, and resigned his position as general manager of the street railroad at Wichita, Kan., to come to the Southwestern. His headquarters will be at Huntington.

Business upon the Southwestern line continues to be very encouraging, and on Christmas, despite a slight accident which caused some unavoidable delay, a total of 1,080 passengers were carried. Yesterday the number was around 800.

At Huntington one member of the city council has started a fight against the payment of the $7,000 subsidy voted to the Southwestern in payment for the lots upon which the power station is located there. The donation was in the nature of a subsidy, and the matter is now in the hands of a council committee, which, it is said, will report favorably upon the proposition to reimburse the company.

CIVIL CEREMONY PERFORMED

SENATOR DEPEW AND MISS PALMER MARRIED.

Two Religious Ceremonies Will Follow Tomorrow—Marriage Occurs at Nice.

Nice, Dec. 27.—The civil ceremony of the marriage of Senator Chauncey M. Depew and Miss May Palmer took place at 3 o'clock this afternoon in the United States consulate. The bride's witnesses were Baron Von Andre and Baron De Cantalause. The bridegroom's witnesses were James Gordon Bennett and Count De Sers.

Among others present were Mrs. Palmer, Countess De Sers and Baroness Von Andre.

Senator Depew was in excellent health. The bride was charmingly dressed.

The bride being a Catholic, there will be two religious ceremonies. The first will take place at Notre Dame and the second at the Episcopal church at 11 o'clock in the morning and at noon tomorrow, respectively, when ten blue jackets from the United States cruiser Albany will form a guard of honor.

STOPS GAMBLING IN GOTHAM.

New York, Dec. 27.—The knell of the pool-room was sounded yesterday afternoon when in one of the most conspicuous of the "tenderloin" rooms the announcement was made:

"It's all off, boys; we quit now. Cash your bets and go out quietly."

What the Parkhurst society, the committee of five and of fifteen and, in fact, every other element of good government has tried to do for months, with but little success, a mysterious order did in fifteen minutes, for in one-quarter of an hour after the order was issued not a pool room in New York was doing business.

HEAD-ON COLLISION.

Scranton, Pa., Dec. 27.—In a head-on collision between two coal trains on the Erie railroad in the East Honesdale yards today Fireman John Rossner, of Port Jervis, N. J., was killed. Both engines were demolished and a score of cars wrecked.

THREE DIE IN EXPLOSION

FURNACE PLANT WRECKED AT SHARPSVILLE, PA.

Three Men Perish in the Flames and Another Will Die—Powder Mill Blown Up.

Sharpsville, Pa., Dec. 27.—An explosion at the old Sharpsville furnace about 7 o'clock this morning wrecked the furnace plant and killed three men. Another workman was probably fatally injured. The names:

Dead:
Martin Clary.
Howard Dickson.
James Bartlett.
Injured—James Donnelly.

The men were working at the top of the furnace when the explosion occurred and Clary, Dickson and Bartlett were burned to death. Their bodies were recovered at 9 o'clock. Donnelly was injured by jumping.

The cause of the explosion is not known. No estimate has been made as yet of the loss.

POWDER MILL BLOWN UP.

Scranton, Pa., Dec. 27.—An explosion in the barrel mill of the Moosic Powder company at its Jermyn works today blew the mill and some adjoining buildings to pieces and broke windows for miles around. The shock was plainly felt in this city, a distance of fourteen miles. Jacob Hiller, who was in the engine room in an adjoining building, was burned beyond recognition and cannot survive. John Gibbs, George Gebhardt and George Forkel, who were entering the mill yard, were caught by flying debris and badly injured. Glass blown from a window in Albert Carey's house struck his daughter and cut a deep gash in her neck. It is feared she is fatally injured. Scarcely a store or residence in Jermyn escaped with a whole pane of glass.

A Delaware and Hudson passenger train which passed about a quarter of a mile from the scene of the explosion at the time of the accident was swayed by the force of the explosion and the passengers screamed with terror as the train gave a sudden lurch.

The cause of the explosion is unknown.

CARRIE WAS EJECTED.

Topeka, Kas., Dec. 27.—During the session of the state teachers' association today Carrie Nation, the Kansas joint-smasher, attempted to address the teachers. Going up to the speaker's stand Mrs. Nation told President Sinclair that she had been requested to speak. The president informed her that he had heard nothing of such a request. Without waiting for an introduction Mrs. Nation advanced to the front of the platform and began to address the teachers in her usual style. She was forcibly removed.

HARMONY LODGE ELECTS.

Harmony lodge, No. 19, I. O. O. F., at its meeting last evening, elected officers for the ensuing term as follows: W. G. McMaken, noble grand; Harry McMullen, vice grand; Elmer Payne, recording secretary; G. W. Boerger, financial secretary; Charles E. Stapleford, treasurer; G. W. Doswell, trustee.

Ella Schoenmann, the little daughter of Fred Schoenmann, is quite ill from pneumonia.

WATER YIELDS UP

BODY OF NELLIE CROPSEY FOUND IN RIVER.

WAS MISSING MANY WEEKS

DISCOVERY SOLVES MYSTERY OF HER FATE.

HER LOVER IS UNDER BOND

WAS THE LAST PERSON TO SEE HER ALIVE.

Elizabeth City, N. M., Dec. 27.—The body of Nellie Cropsey, who so mysteriously disappeared from her home on the night of Nov. 20, was found this morning at 10 o'clock in the Pasquotank river, opposite the Cropsey residence, by two fishermen. The news of the finding flew over the city like wild fire and within a short while over two thousand people had assembled on the river bank waiting for the body to be brought ashore. The coroner was immediately notified and selected a jury of prominent citizens. Two physicians were called in to make an examination of the body. The evidence given by the physicians does not tend to show any external or internal signs of violence. The verdict of the jury will not be given out until 4:30 o'clock this afternoon. The body is without the usual bloated appearance of one drowned. The head is well preserved.

James Wilcox, her former admirer, who was the last person seen with Miss Cropsey, is held under $1,000 bail by the grand jury.

FRIEND AGAIN ARRESTED

FORT WAYNE MAN WANTED IN CLEVELAND.

Arrest Was Made in Dayton—Has a Wife in Fort Wayne—Served Time in Pennsylvania.

Dayton, O., Dec. 27.—John T. Friend, an electrician and inventor of a burglar alarm, was arrested here this morning and turned over to Detective William Watt, of Cleveland, who came here to get him. Friend is charged with defrauding an inn keeper, preferred by Manager Paine, of the Forrest City House, alleging that he jumped a $90 board bill. Before Friend was taken back he confessed to Superintendent Whitaker that he had a wife, Helen V. Friend, in Fort Wayne, Ind. He has been here for some time and it was thought he was a single man. It is said that while in Cleveland he and a Dayton woman were requested to leave a hotel.

Friend is fairly well known in this city, which has been his legal residence for about a dozen years. Little was known of his business affairs until '97, when he was arrested at Wilkesbarre for obtaining money under false pretenses. He was then engaged in selling territorial rights for a patent burglar alarm, which he had invented. He duplicated the sale of five counties and was arrested.

Wilmer Leonard, of this city, defended him and succeeded in getting him off with a jail sentence of eight months, which he served. He returned to this city and remained about a year, after which he left and has returned since only once or twice, to remain for a short time only. His wife is now living at No. 26 Lafayette street, where Jessie Glenwood, the girl who figured in the Dawsey-Wilcox cutting bee, had rooms. The directory gives Friend's residence as High street.

VOLUNTARY RAISE OF WAGES.

Greenville, Pa., Dec. 27.—Six hundred employes of the Pittsburg, Bessemer and Lake Erie railroad have been notified of an increase of 10 per cent. in wages, commencing January 1. The raise applies to conductors, brakemen, switchmen, engineers and firemen and was voluntary on the part of the company.

FOUL PLAY FEARED.

Cripple Creek, Col., Dec. 27.—Martin Gleason, 50 years of age, superintendent of the Wild Horse, Damon and Blackwood mines, was found dead today at the bottom of the Eclipse shaft, 500 feet below the surface of the ground. The body was horribly mangled. The ground around the mouth of the shaft bore marks of a struggle and it is evident that Gleason was murdered, although no motive for the crime is known. A reward of $5,000 has been offered for the capture of the murderer.

FUNERAL OF JOHN O'CONNOR.

The funeral of John G. O'Connor, who died Tuesday evening at his home on Fifth avenue, Grand Rapids, was held this morning at 9 o'clock from St. Andrew's Cathedral, leaving the house at 8:30. The interment was at St. Andrew's cemetery. The pall bearers included members from the Typographical union and from the Woodmen lodge, of which he was an insurance member.

EDISON PARTY ALIVE.

Norfolk, Va., Dec. 27.—A message was received here from Beaufort, S. C., today, saying that the Edison party is alive and well. Their yacht, the Ounaniche, which left here recently for Florida, via the Dismal swamp, was reported wrecked last night near Beaufort.

NEGRO JANITOR TO BLAME

RESPONSIBLE FOR DEATH OF CHILDREN FROM TETANUS.

Gave Out Toxic Anti-Diptheric Serum Because He Didn't Believe it Bad Enough to Kill.

St. Louis, Dec. 27.—Before the tetanus court of inquiry Henry R. Taylor, janitor for the chemical and bacteriological divisions of the health department, admitted under oath that he issued for public use the toxic anti-diphtheritic serum which caused the recent deaths of thirteen children from tetanus. He distributed the vials, properly labeled, he stated, because the supply of diphtheria antitoxin had become exhausted early in October, and he did not believe the serum was "bad enough to kill children."

Taylor is a negro. He has held city positions for many years. In addition to his duties as janitor he acted as assistant to Consulting City Bacteriologist Amand Rayold. More or less in the capacity of an assistant, he had charge of the anti-toxin when it was in flasks and after it had been poured into the vials for distribution to physicians.

For two hours Taylor was closeted yesterday with Chief of Detectives Desmond. Taylor was placed on the witness stand, with the chief of detectives at his side. Mayor Wells advised Taylor to give a distinct, true, connected relation of facts appertaining to the toxic serum. Taylor then admitted that his former testimony, in which he swore that the serum of September 20 had not been distributed was false. Taylor stated positively that he gave out serum of the make of September 30. This serum, it is alleged, was responsible for the deaths of sixteen or more children. Taylor said the serum of September 30 was not destroyed until after the trouble began and that he had been trying to "protect the whole office."

WILSON TO STAY IN CABINET.

Washington, Dec. 27.—The cabinet met as usual today, but no business was transacted. The session was occupied in the exchange of holiday reminiscences. The most positive denials are given of the story published today that F. D. Coburn, secretary of the state board of agriculture of Kansas, is to succeed Secretary Wilson. When the fact that Governor Shaw had accepted the tender of the treasury portfolio was made public the announcement was made that Secretary Wilson would remain in the cabinet, and today the same statement was reiterated at the white house in the most emphatic manner. The president is anxious that Secretary Wilson should remain and the secretary himself has informed the president that he would be glad to do so.

LAKE SHORE BUYS ROAD.

New York, Dec. 27.—It was reported in financial circles today that the control of the Indiana, Illinois and Iowa railroad had been bought by the Lake Shore. The terms of the deal were not made public. The 3 I's road crosses the Nickel Plate at Knox and connects with the Lake Shore at South Bend.

Charles Semler, of Centralia, Ill., is in the city on a visit to his parents, Mr. and Mrs. P. Semler, of [illegible] street.

A NEW LAW FIRM

A STRONG TRIO FORMED IN THIS CITY.

MAYOR BERGHOFF A MEMBER

LIEUT. GOV. GILBERT AND SOL. A. WOOD THE OTHERS.

TWO LATTER ARE OF ANGOLA

COMBINATION REGARDED AS OF UNUSUAL STRENGTH.

The friends of Mayor Henry C. Berghoff will be surprised to learn of a law partnership into which he entered yesterday and one that promises to become one of the leading competitors for legal business in this county. The members of the firm organized are Newton W. Gilbert, Henry C. Berghoff and Sol. A. Wood and the style of the firm will be Gilbert, Berghoff & Wood. The partnership will be in effect on the first of January next and the offices will be at 23 Court street, the quarters already occupied by Mr. Berghoff. Mayor Berghoff is too well known to need an introduction and the other members of the copartnership are equally prominent in the localities in which they live and both have a wide acquaintanceship in the state and are prominent figures in northern Indiana.

Newton Gilbert, present lieutenant governor of the state, is a familiar figure in Fort Wayne and is not a stranger to Allen county courts. He has for many years been a practicing attorney at the Steuben county bar, where, as a member of the Angola law firm of Woodhull & Gilbert, the senior partner being the venerable Judge Woodhull, he gained a most enviable reputation as a leader in his profession. He has been prominent in politics for many years and has represented his county in various capacities. When the Spanish-American war broke out he dropped his practice and his books and enlisted in the service of his country and when he returned at the close of the incident as captain, he was one of the most popular officers from Indiana. His popularity in the state was more fully attested when he received the republican nomination for lieutenant governor and was subsequently elected, carrying the northern counties ahead of any other candidate on the ticket.

Sol A. Wood, is another gentleman who is far from being a stranger in Fort Wayne or to Fort Wayne people. Like Mr. Gilbert, he is a resident of Angola, and is one of that city's most substantial citizens. Also like Mr. Gilbert, he is a republican in politics and in Steuben county he is almost the whole thing. What Sol Wood says usually goes up there and his party has never had occasion to regret accepting his advice or counsels. He was for four years auditor of Steuben county and as district chairman of the Twelfth district, gave the Allen county contingent about the best run for their money they ever had. As a lawyer he stands high in the esteem of his colleagues and associates at Angola.

Mr. Gilbert will remove to Fort Wayne immediately and has already engaged living rooms, but Mr. Wood will, for awhile at least, retain his residence at Angola. He has a handsome residence there, a summer cottage at Lake James and all his property interests are concentrated at that point, while his charming wife, an acknowledged society leader, is loth to sever social ties so suddenly.

Mayor Berghoff says that no one is more surprised at the partnership than he is. "I had no idea of such a partnership yesterday morning," said the mayor, "and the whole business was fixed up yesterday in just about fifteen minutes." This morning the mayor let a contract to remodel his office to accommodate the new firm and with a deep sigh gave orders to have the handsome, as well as expensive gold sign on the plate glass front removed and replaced by a more comprehensive one.

WILL ENTERTAIN FRIENDS.

F. J. Fallon, of Philadelphia, who has been spending some days in the city visiting friends and renewing old acquaintances in Fort Wayne will give a dinner at the Chamberlain Saturday evening to a large list of his more intimate friends here. Invitations have been issued.

He Will be Superintendent of Power and Equipment on Fort Wayne and Southwestern.

L. O. Williams, of Wichita, Kan., will arrive this evening from Wichita, Kan., to take the position of superintendent of power and equipment of the new Fort Wayne and Southwestern Electric line, to which he has just been appointed.

Mr. Williams has been connected with the McKinley companies for several years, and resigned his position as general manager of the street railroad at Wichita, Kan., to come to the Southwestern. His headquarters will be at Huntington.

Business upon the Southwestern line continues to be very encouraging, and on Christmas, despite a slight accident which caused some unavoidable delay, a total of 1,080 passengers were carried. Yesterday the number was around 800.

At Huntington one member of the city council has started a fight against the payment of the $7,000 subsidy voted to the Southwestern in payment for the lots upon which the power station is located there. The donation was in the nature of a subsidy, and the matter is now in the hands of a council committee, which, it is said, will report favorably upon the proposition to reimburse the company.

CIVIL CEREMONY PERFORMED

SENATOR DEPEW AND MISS PALMER MARRIED.

Two Religious Ceremonies Will Follow Tomorrow—Marriage Occurs at Nice.

Nice, Dec. 27.—The civil ceremony of the marriage of Senator Chauncey M. Depew and Miss May Palmer took place at 3 o'clock this afternoon in the United States consulate. The bride's witnesses were Baron Von Andre and Baron De Cantalause. The bridegroom's witnesses were James Gordon Bennett and Count De Sers.

Among others present were Mrs. Palmer, Countess De Sers and Baroness Von Andre.

Senator Depew was in excellent health. The bride was charmingly dressed.

The bride being a Catholic, there will be two religious ceremonies. The first will take place at Notre Dame and the second at the Episcopal church at 11 o'clock in the morning and at noon tomorrow, respectively, when ten blue jackets from the United States cruiser Albany will form a guard of honor.

STOPS GAMBLING IN GOTHAM.

New York, Dec. 27.—The knell of the pool-room was sounded yesterday afternoon when in one of the most conspicuous of the "tenderloin" rooms the announcement was made:

"It's all off, boys; we quit now. Cash your bets and go out quietly."

What the Parkhurst society, the committee of five and of fifteen and, in fact, every other element of good government has tried to do for months, with but little success, a mysterious order did in fifteen minutes, for in one-quarter of an hour after the order was issued not a pool room in New York was doing business.

HEAD-ON COLLISION.

Scranton, Pa., Dec. 27.—In a head-on collision between two coal trains on the Erie railroad in the East Honesdale yards today Fireman John Rossner, of Port Jervis, N. J., was killed. Both engines were demolished and a score of cars wrecked.

THREE DIE IN EXPLOSION

FURNACE PLANT WRECKED AT SHARPSVILLE, PA.

Three Men Perish in the Flames and Another Will Die—Powder Mill Blown Up.

Sharpsville, Pa., Dec. 27.—An explosion at the old Sharpsville furnace about 7 o'clock this morning wrecked the furnace plant and killed three men. Another workman was probably fatally injured. The names:

Dead:
Martin Clary.
Howard Dickson.
James Bartlett.
Injured—James Donnelly.

The men were working at the top of the furnace when the explosion occurred and Clary, Dickson and Bartlett were burned to death. Their bodies were recovered at 9 o'clock. Donnelly was injured by jumping.

The cause of the explosion is not known. No estimate has been made as yet of the loss.

POWDER MILL BLOWN UP.

Scranton, Pa., Dec. 27.—An explosion in the barrel mill of the Moosic Powder company at its Jermyn works today blew the mill and some adjoining buildings to pieces and broke windows for miles around. The shock was plainly felt in this city, a distance of fourteen miles. Jacob Hiller, who was in the engine room in an adjoining building, was burned beyond recognition and cannot survive. John Gibbs, George Gebhardt and George Forkel, who were entering the mill yard, were caught by flying debris and badly injured. Glass blown from a window in Albert Carey's house struck his daughter and cut a deep gash in her neck. It is feared she is fatally injured. Scarcely a store or residence in Jermyn escaped with a whole pane of glass.

A Delaware and Hudson passenger train which passed about a quarter of a mile from the scene of the explosion at the time of the accident was swayed by the force of the explosion and the passengers screamed with terror as the train gave a sudden lurch.

The cause of the explosion is unknown.

CARRIE WAS EJECTED.

Topeka, Kas., Dec. 27.—During the session of the state teachers' association today Carrie Nation, the Kansas joint-smasher, attempted to address the teachers. Going up to the speaker's stand Mrs. Nation told President Sinclair that she had been requested to speak. The president informed her that he had heard nothing of such a request. Without waiting for an introduction Mrs. Nation advanced to the front of the platform and began to address the teachers in her usual style. She was forcibly removed.

HARMONY LODGE ELECTS.

Harmony lodge, No. 19, I. O. O. F., at its meeting last evening, elected officers for the ensuing term as follows: W. G. McMaken, noble grand; Harry McMullen, vice grand; Elmer Payne, recording secretary; G. W. Boerger, financial secretary; Charles E. Stapleford, treasurer; G. W. Doswell, trustee.

Ella Scheumann, the little daughter of Fred Scheumann, is quite ill from pneumonia.

WATER YIELDS UP

BODY OF NELLIE CROPSEY FOUND IN RIVER.

WAS MISSING MANY WEEKS

DISCOVERY SOLVES MYSTERY OF HER FATE.

HER LOVER IS UNDER BOND

WAS THE LAST PERSON TO SEE HER ALIVE.

Elizabeth City, N. M., Dec. 27.—The body of Nellie Cropsey, who so mysteriously disappeared from her home on the night of Nov. 20, was found this morning at 10 o'clock in the Pasquotank river, opposite the Cropsey residence, by two fishermen. The news of the finding flew over the city like wild fire and within a short while over two thousand people had assembled on the river bank waiting for the body to be brought ashore. The coroner was immediately notified and selected a jury of prominent citizens. Two physicians were called in to make an examination of the body. The evidence given by the physicians does not tend to show any external or internal signs of violence. The verdict of the jury will not be given out until 4:30 o'clock this afternoon. The body is without the usual bloated appearance of one drowned. The head is well preserved.

James Wilcox, her former admirer, who was the last person seen with Miss Cropsey, is held under $1,000 bail by the grand jury.

FRIEND AGAIN ARRESTED

FORT WAYNE MAN WANTED IN CLEVELAND.

Arrest Was Made in Dayton—Has a Wife in Fort Wayne—Served Time in Pennsylvania.

Dayton, O., Dec. 27.—John T. Friend, an electrician and inventor of a burglar alarm, was arrested here this morning and turned over to Detective William Watt, of Cleveland, who came here to get him. Friend is charged with defrauding an inn keeper, preferred by Manager Paine, of the Forrest City House, alleging that he jumped a $90 board bill. Before Friend was taken back he confessed to Superintendent Whitaker that he had a wife, Helen V. Friend, in Fort Wayne, Ind. He has been here for some time and it was thought he was a single man. It is said that while in Cleveland he and a Dayton woman were requested to leave a hotel.

Friend is fairly well known in this city, which has been his legal residence for about a dozen years. Little was known of his business affairs until '97, when he was arrested at Wilkesbarre for obtaining money under false pretenses. He was then engaged in selling territorial rights for a patent burglar alarm, which he had invented. He duplicated the sale of five counties and was arrested.

Wilmer Leonard, of this city, defended him and succeeded in getting him off with a jail sentence of eight months, which he served. He returned to this city and remained about a year, after which he left and has returned since only once or twice, to remain for a short time only. His wife is now living at No. 26 Lafayette street, where Jessie Glenwood, the girl who figured in the Dawsey-Wilcox cutting bee, had rooms. The directory gives Friend's residence as High street.

VOLUNTARY RAISE OF WAGES.

Greenville, Pa., Dec. 27.—Six hundred employes of the Pittsburg, Bessemer and Lake Erie railroad have been notified of an increase of 10 per cent. in wages, commencing January 1. The raise applies to conductors, brakemen, switchmen, engineers and firemen and was voluntary on the part of the company.

FOUL PLAY FEARED.

Cripple Creek, Col., Dec. 27.—Martin Gleason, 50 years of age, superintendent of the Wild Horse, Damon and Deadwood mines, was found dead today at the bottom of the Kalamazoo shaft, 500 feet below the surface of the ground. The body was horribly mangled. The ground around the mouth of the shaft bore marks of a struggle and it is evident that Gleason was murdered, although no motive for the crime is known. A reward of $5,000 has been offered for the capture of the murderer.

FUNERAL OF JOHN O'CONNOR.

The funeral of John G. O'Connor, who died Tuesday evening at his home on Fifth avenue, Grand Rapids, was held this morning at 9 o'clock from St. Andrew's Cathedral, leaving the house at 8:30. The interment was at St. Andrew's cemetery. The pall bearers included members from the Typographical union and from the Woodmen lodge, of which he was an insurance member.

EDISON PARTY ALIVE.

Norfolk, Va., Dec. 27.—A message was received here from Beaufort, S. C., today, saying that the Edison party is alive and well. Their yacht, the Ounaniche, which left here recently for Florida, via the Dismal swamp, was reported wrecked last night near Beaufort.

NEGRO JANITOR TO BLAME

RESPONSIBLE FOR DEATH OF CHILDREN FROM TETANUS.

Gave Out Toxic Anti-Diptheric Serum Because He Didn't Believe It Bad Enough to Kill.

St. Louis, Dec. 27.—Before the tetanus court of inquiry Henry R. Taylor, janitor for the chemical and bacteriological divisions of the health department, admitted under oath that he issued for public use the toxic anti-diphtheritic serum which caused the recent deaths of thirteen children from tetanus. He distributed the vials, properly labeled, he stated, because the supply of diphtheria anti-toxin had become exhausted early in October, and he did not believe the serum was "bad enough to kill children."

Taylor is a negro. He has held city positions for many years. In addition to his duties as janitor he acted as assistant to Consulting City Bacteriologist Amand Rayold. More or less in the capacity of an assistant, he had charge of the anti-toxin when it was in flasks and after it had been poured into the vials for distribution to physicians.

For two hours Taylor was closeted yesterday with Chief of Detectives Desmond. Taylor was placed on the witness stand, with the chief of detectives at his side. Mayor Wells advised Taylor to give a distinct, true, connected relation of facts appertaining to the toxic serum. Taylor then admitted that his former testimony, in which he swore that the serum of September 20 had not been distributed was false. Taylor stated positively that he gave out serum of the make of September 30. This serum, it is alleged, was responsible for the deaths of sixteen or more children. Taylor said the serum of September 30 was not destroyed until after the trouble began and that he had been trying to "protect the whole office."

WILSON TO STAY IN CABINET.

Washington, Dec. 27.—The cabinet met as usual today, but no business was transacted. The session was occupied in the exchange of holiday reminiscences. The most positive denials are given of the story published today that F. D. Coburn, secretary of the state board of agriculture of Kansas, is to succeed Secretary Wilson. When the fact that Governor Shaw had accepted the tender of the treasury portfolio was made public the announcement was made that Secretary Wilson would remain in the cabinet, and today the same statement was reiterated at the white house in the most emphatic manner. The president is anxious that Secretary Wilson should remain and the secretary himself has informed the president that he would be glad to do so.

LAKE SHORE BUYS ROAD.

New York, Dec. 27.—It was reported in financial circles today that the control of the Indiana, Illinois and Iowa railroad had been bought by the Lake Shore. The terms of the deal were not made public. The 3 I's road crosses the Nickel Plate at Knox and connects with the Lake Shore at South Bend.

Charles Sessler, of Centralia, Ill., is in the city on a visit to his parents, Mr. and Mrs. P. Sessler, of 61 Grand street.

A NEW LAW FIRM

A STRONG TRIO FORMED IN THIS CITY.

MAYOR BERGHOFF A MEMBER

LIEUT. GOV. GILBERT AND HON. SOL. A. WOOD THE OTHERS.

TWO LATTER ARE OF ANGOLA

COMBINATION REGARDED AS OF UNUSUAL STRENGTH.

The friends of Mayor Henry C. Berghoff will be surprised to learn of a law partnership into which he entered yesterday and one that promises to become one of the leading competitors for legal business in this county. The members of the firm organized are Newton W. Gilbert, Henry C. Berghoff and Sol. A. Wood and the style of the firm will be Gilbert, Berghoff & Wood. The partnership will be in effect on the first of January next and the offices will be at 22 Court street, the quarters already occupied by Mr. Berghoff. Mayor Berghoff is too well known to need an introduction, and the other members of the copartnership are equally prominent in the localities in which they live and both have a wide acquaintanceship in the state and are prominent figures in northern Indiana.

Newton Gilbert, present lieutenant governor of the state, is a familiar figure in Fort Wayne and is not a stranger to Allen county courts. He has for many years been a practicing attorney at the Steuben county bar, where, as a member of the Angola law firm of Woodhull & Gilbert, the senior partner being the venerable Judge Woodhull, he gained a most enviable reputation as a leader in his profession. He has been prominent in politics for many years and has represented his county in various capacities. When the Spanish-American war broke out he forsook his practice and his books and enlisted in the service of his country and when he returned at the close of the incident as captain, he was one of the most popular officers from Indiana. His popularity in the state was more fully attested when he received the republican nomination for lieutenant governor and was subsequently elected, carrying the northern counties ahead of any other candidate on the ticket.

Sol A. Wood, is another gentleman who is far from being a stranger in Fort Wayne or to Fort Wayne people. Like Mr. Gilbert, he is a resident of Angola, and is one of that city's most substantial citizens. Also like Mr. Gilbert, he is a republican in politics and in Steuben county he is almost the whole thing. What Sol Wood says usually goes up there and his party has never had occasion to regret accepting his advice or counsels. He was for four years auditor of Steuben county and as district chairman of the Twelfth district, gave the Allen county contingent about the best run for their money they ever had. As a lawyer he stands high in the esteem of his colleagues and associates at Angola.

Mr. Gilbert will remove to Fort Wayne immediately and has already engaged living rooms, but Mr. Wood will, for awhile at least, retain his residence at Angola. He has a handsome residence there, a summer cottage at Lake James and all his property interests are concentrated at that point, while his charming wife, an acknowledged society leader, is loth to sever social ties so suddenly.

Mayor Berghoff says that no one is more surprised at the partnership than he is. "I had no idea of such a partnership yesterday morning," said the mayor, "and the whole business was fixed up yesterday in just about fifteen minutes." This morning the mayor let a contract to remodel his office to accommodate the new firm and with a deep sigh gave orders to have the handsome, as well as expensive gold sign on the plate glass front removed and replaced by a more comprehensive one.

WILL ENTERTAIN FRIENDS.

P. J. Fallon, of Indianapolis, who has been spending some days in the city visiting friends and renewing old acquaintances in Fort Wayne, will give a dinner at the Oaneck Saturday evening to a large party of his more intimate friends here. Sixty invitations have been issued.

Miss Helen Smyser and Nathan Smyser are here from Chicago for a few days.

TEACHERS AT INDIANAPOLIS

STATE ASSOCIATION OPENS CONVENTION.

A Large Attendance Marks Occasion —Fort Wayne Instructors Take Part in Work.

Indianapolis, Dec. 27.—The initial meeting of the State Teachers' association was held last night in the house of representatives and was largely attended. The exercises consisted of a musical program, a short address by the retiring president and an address by the incoming president, H. B. Brown, on "The Responsibilities of Education." The working committees were then appointed and the meeting adjourned until today.

The County Superintendents' association, the college, classical and high school sections, branches of the general association, began their meetings yesterday and each was largely attended.

Superintendent Gibbons, of Fulton county, attracted a good dead of attention through a system which he has inaugurated in the schools of his county. He has had made a large number of lapel buttons, which are given the children for promptness and good deportment, and blue labels which are pasted in the books of those who are neat and keep their books clean. He says that the two systems of reward have worked wonders in his county and he urged all the superintendents to adopt them at once.

The members of the high school section yesterday listened to a paper by Hurbert S. Voorhees, of the science department of the Fort Wayne high school.

The meeting of the classical section at the office of the lieutenant governor, was taken up with papers by Chester T. Lane, of the Fort Wayne high school; Prof. H. M. Kingery, of Wabash college; J. J. Schleicher, of Terre Haute, and Miss Lillian E. Michael, of the Goshen high school.

The following officers were elected:

President—Chester T. Lane, Fort Wayne high school.

Secretary-Treasurer—Miss Lillian G. Berry, Indianapolis M. T. H. S.

ABOUT THE CITY HALL.

The meeting of the board of works last evening was the tamest affair in the city hall for some time. The bond of Henry A. Gerberding, sewer builder, was approved, several small bills were allowed and then an adjournment was taken to give the members an opportunity to smoke a merry Christmas cigar of doubtful parentage at Chairman Eggemann's expense.

The claim of W. A. Ross for damages by the flooding of his cellar on Maiden lane during an excessive rainstorm last summer was disapproved by the council committee on claims at a meeting held last night.

The finance committee met last evening and passed favorably upon the comptroller's recommendations for additional appropriations as follows: $21 for the street lighting fund; $100 for the city engineer's fund, and $265 for the garbage fund. After the clerk of the committee had finished reading the somewhat detailed report of the comptroller, Councilman Kohrmann jumped to his feet and said he would not vote for anything that he knew nothing about. The comptroller's report was then read a second time, whereupon Mr. Kohrmann said it was all right. The Eighth ward gentleman is gaining rapidly on his ambition to become the "watch-dog of the treasury."

Yesterday afternoon the first one of the pair of rock wells being drilled in the No. 2 field was completed. Drilling was stopped at a depth of 265 feet 6 inches. The water in the casing stands fifteen feet below the top and at that height four feet above the level of the suction pipe. Taking a practical suction lift of twenty-six feet, the water stands for a reduction of a thirty-foot head before it can get out of reach under present conditions. Within 125 feet of the new well there is another well which is connected up and which is being pumped all the time, indicating that there is no connection between the two wells on one hypothesis, or that the static head of both wells cannot be reduced by pumping on the other. Chief Engineer Baxter says that he considers the new well one of the best in the entire Fort Wayne field, judging purely from superficial indications. The well has not yet been tested and Mr. Baxter says that there may be some new developments when the test is made, but that present appearances indicate great things for the city's water supply in that field.

The committee on street lights will tonight recommend the placing of an arc lamp at the Wells street bridge.

The city council will meet tonight in regular session, the Tuesday evening session having been carried over until night by resolution. With the exception of a few appropriation ordinances passed on by the finance committee last night and some other minor recommendations, nothing but purely routine business is likely to be presented.

DIED IN SPOKANE.

Mrs. S. A. Green, mother of Mrs. Charles C. D. Heustis, died Christmas night in Spokane, Wash. Deceased was 69 years old and resided in this city up to about twenty years ago, when she removed west. The remains will be brought here for interment and will be accompanied by a daughter, Miss Ida Green.

AGED FARMER DIES SUDDENLY

GEORGE DOCTOR STRICKEN AS HE WAS RETIRING.

Death From Heart Paralysis Followed a Moment Later—Other Mortuary Matters.

George Doctor, an aged and well known farmer, died suddenly at his home in Soest, nine miles southeast of this city, at 9 o'clock Thursday evening. Death was due to paralysis of the heart from apoplexy.

Mr. Doctor was seventy-nine years of age, well-to-do and highly respected. He had not been feeling exactly well for some time, but his condition was not regarded as sufficiently alarming to require the services of a physician. Thursday evening at 9 o'clock he started to retire for the night and while standing beside his bed suddenly dropped to the floor. Other members of the family hurried to his side as quickly as possible, but his death occurred within a minute after he was stricken. Coroner Barnett was summoned to the home this morning and rendered a finding in accordance with the above facts.

The sudden death has created a profound shock in the community, for Mr. Doctor was a pioneer citizen of Allen county and had resided upon his farm at Soest sixty-two years. He leaves a widow and several children.

CHRISTMAN.

Marie Viola, infant daughter of Mr. and Mrs. Peter Christmau, of Pleasant township, died Wednesday from exhaustion, at the age of twelve days.

Funeral services were held from the residence today.

FUNERAL ANNOUNCEMENTS.

Hislop.—Funeral services of Mrs. Katherine Hislop will be held Saturday afternoon at 2 o'clock from the residence, 31 Lincoln avenue.

Besancon.—Funeral services of Mrs. Josephine Besancon will be held Saturday morning at 9 o'clock from the residence on Parnell avenue and later from the Cathedral.

Grey.—Funeral services of David S. Grey will be held Saturday morning from the Scheumann undertaking establishment.

Schwartz.—Funeral services of Geo. M. Schwartz will be held Sunday at 1:30 from the residence, 36 Taylor street, and at 2 o'clock from St. John's Lutheran church. Mr. Schwartz was 46 years of age and surviving are his parents, his wife and seven children, the eldest 18 years of age and the youngest but 2.

SHOT THREE MEN.

New York, Dec. 27.—Steve Bederick shot three men in the streets of Passaic, N. J., and when finally he was captured he would have been lynched had it not been for the firm stand made by a local justice of the peace and a few citizens. Bederick had quarreled with John Stondt, and in a rage shot him in the neck. Bederick tried to run away but was followed by a crowd, into which he fired one ball, striking Anton Stull in the thigh and then wounding a man named Lavelle in the arm. After all the chambers in Bederick's revolver had been emptied his pursuers closed in on him and overpowered him. Before he could be rescued from his captors he was terribly beaten. Stondt's wound is dangerous.

SHAW WILL BE SECRETARY

GETS HAPPY MESSAGE FROM THE PRESIDENT.

Mrs. Shaw Decided the Governor to Accept the Appointment—Home Life of the Shaws.

Des Moines, Dec. 27.—Governor Shaw last night received the following telegram from President Roosevelt:

"I am delighted that you have consented to accept the portfolio of secretary of the treasury. Have written."

Pending the receipt of President Roosevelt's letter the governor has made no plans. He expects, however, that he will be called to Washington, and if so he will go at the pleasure of the president.

"I have no plans," said the governor, "except that I assume that I shall fill out my almost completed term as executive. The inauguration of my successor takes place Jan. 16, according to the present plan, and I see no reason why it will not be agreeable to allow things to proceed in their regular course."

GOVERNOR'S WIFE DECIDED.

Governor Shaw's original plan was to go to Washington immediately, but after a conference with Senator Allison and Speaker Henderson in Dubuque, he decided to return to Des Moines and have a final conference with Mrs. Shaw before he proceeded east. It was "up to" Mrs. Shaw to say whether or not the governor would come into the Roosevelt cabinet and she took kindly to the suggestion.

The Shaws are quiet, home-loving people, and care but little for the social side of life. Mrs. Shaw is devoutly religious.

In selecting Governor Shaw President Roosevelt did so without consulting any one. He has known him for many years, having campaigned in the west with him on several occasions. The governor is one of the original gold standard men of the west, and long before the single standard became an emphatic issue he was making speeches for gold. Several times he came as far east as the New England states, urging the single standard as the measure of value. As Secretary Wilson said today:

"Governor Shaw is better known east of the Mississippi than any man west of it."

Although only fifty-three years old, he has been more prominent in politics for more than a fifth of a century. He removed to Iowa early in his life, and has been actively identified with the affairs of that state for many years.

DECLINED A THIRD TERM.

He is now concluding his second term as governor, and could have been renominated for a third had he sought a renomination.

When President McKinley declared against a third term Shaw was mentioned as a presidential possibility by Senator Allison and other Iowans.

He is a banker of considerable local distinction and a lawyer of no mean repute.

ABOUT THE COURT HOUSE.

Holiday business at the court house is very dull and none but pressing business is being considered. In the superior court the case of the Andrews Land and Improvement company vs. Ovid Conner is still dragging its weary length along, being now in the fourth day.

The will of Frederick Spangler, late of Marion township, was filed for probate today.

Edward Gerberding, guardian of Bertha Gerberding, has filed his final report in the circuit court.

Bernard Hessert has filed a mechanic's lien against Henry Hilgeman and the Home Telephone company for $75. The demand is for sand furnished in the construction of the new telephone bulding.

Prosecutor Emrick says that Fred Dawsey, the throat-cutting artist, will be arraigned for preliminary hearing as soon as his victim, Mrs. Wilson, is able to leave the hosptial. Mr. Emrick thinks the arraignment will be made shortly after Jan. 1.

The county commissioners will be in session tomorrow morning for the first time this week.

Elizabeth J. Sterling has commenced divorce proceedings against Joseph T. Sterling whom she charges with having abandoned her five years ago.

The case of Agnes Sheffel vs. Jennie Work has been dismissed by Judge O'Rourke to whose court the case had been appealed from France's court.

Jacob Keller, a nephew, has been appointed administrator of the estate of George Shaffer, one of the victims of the Christmas tragedy on Broadway.

UNION PACIFIC STATEMENT.

New York, Dec. 27.—The annual report of the Union Pacific railroad, embracing as well a statement of the financial condition of the Southern Pacific and a reference to the part of the Union Pacific in the affairs of the Northern Pacific, was made public today. The financial statement of the Union Pacific showed that the gross receipts for the year ending June 30, were $43,538,181, operating expenses and taxes, $24,587,145, and total net income, $22,172,001. The gross receipts showed an increase of $4,390,483, or 11.21 per cent. and the operating expenses an increase of $3,140,930, or 15.55 per cent. The surplus was $5,178,175, to which must be added $781,080 earned in dividends between April 1 and June 30 by the Northern Pacific stock held by the company. The statement of the Union Pacific included the operations of the Oregon Short Line and the Oregon Railway and Navigation company. The statement of the Southern Pacific showed that the gross revenue was $77,244,898; operating expenses and taxes $50,879,013. Rentals, betterments, sinking fund and discounts absorbed, $24,608,867, leaving a surplus of $3,456,560.

As to requirement of control of the Southern and Northern Pacifics, the report said: "Developments in connection with the constantly increasing traffic of the Northwest and of the states on the Pacific slope and the vital importance of securing for the Union Pacific system its due proportion of the tonnage and revenue tributary to its lines rendered it essential, in the judgment of the board of directors, that steps should be taken to maintain and protect the position of the system and to safeguard its future against combinations of other lines. In furtherance of this poliey, and for the purpose of developing and extending the business of the system and opening new channels of interchange, the directors deemed it necessary to acquire $75,000,000 par value of the capital stock of the Southern Pacific company, and $78,108,000 par value of the stock of the Northern Pacific railway company."

A REMARKABLE ESCAPE.

Chicago, Dec. 27.—John Kelly, working on a church steeple 150 feet above the street, experienced a remarkable escape from death here today. He slipped from the top of the steeple and fell sixty-five feet, where the edge of the roof interfered with his fall in such a manner that his hands were thrown against a small projection. Though almost unconscious, he clung to his hold for three minutes, until fellow workmen rescued him. He was seriously injured internally, but it is believed he will recover.

NOT LOOKING FOR TROUBLE.

Washington, Dec. 27.—The North Atlantic squadron, consisting of the battleships Kearsarge, Massasschusetts and Alabama, with the collier Hannibal, has arrived at Culebra Island, the newly selected naval station east of the island of Porto Rico, and very near to St. Thomas. While this place is much nearer the Venezuelan coast than Havana, from which point the squadron has just arrived at Culebra, it is stated that the squadron's business is not connected with Venezuelan matters, but is to carry out certain strategic movements framed by the general naval board. The harbor of San Juan is not accessible to these warships with their deep draft and it is the purpose of the navy department to develop the possibilities of Culebra island as a naval base for which it is believed to be admirably suited.

Superintendent Gorsline picked up a plain drunk on Calhoun street about noon today and Officer Coling captured one on Jefferson street about the same hour. Both are now in the city prison.

TROUSERS HIS MANIA.

C. E. Rice, the West hotel purveyor of pantaloons, has had an experience within the last week that leaves him in a dazed condition of mind and his stock of trouser patterns a trifle depleted, according to the Minneapolis Tribune.

Two weeks ago a tall, well-dressed stranger entered the tailor establishment of the West hotel lobby and announced that he would like to get measured for trousers. Manager Rice measured him and booked the order for a set of up-to-date stripes. The next morning at about the same hour, he appeared, and ordered another pair of trousers.

When the third morning this same individual appeared with an order for still another pair of trousers, Rice began to feel perturbed.

Still again on Friday morning the trouser man was on hand.

Ever since that the same man has appeared at the same hour every morning with an order for pants, and he now has eight pairs coming to him, five pairs having been delivered.

Yesterday the strange customer was accompanied by a companion. The companion smiled while Rice exhibited all the goods he had left. Later he reappeared alone and called the little tailor man aside.

"Look here," he said, "I suppose you are guessing about this chap, but he's all right. I'm his man of affairs. He's possessed of a mania for trousers. I think he owns about 2,000 pairs now. They have been made in all parts of the world, and the worst of all in some Japanese inland towns. He can afford to indulge in so harmless a passion, so just make all the pants he wants."

Rice is still cutting pants for all he is worth.

TEACHERS AT INDIANAPOLIS

STATE ASSOCIATION OPENS CONVENTION.

A Large Attendance Marks Occasion —Fort Wayne Instructors Take Part in Work.

Indianapolis, Dec. 27.—The initial meeting of the State Teachers' association was held last night in the house of representatives and was largely attended. The exercises consisted of a musical program, a short address by the retiring president and an address by the incoming president, H. B. Brown, on "The Responsibilities of Education." The working committees were then appointed and the meeting adjourned until today.

The County Superintendents' association, the college, classical and high school sections, branches of the general association, began their meetings yesterday and each was largely attended.

Superintendent Gibbons, of Fulton county, attracted a good deal of attention through a system which he has inaugurated in the schools of his county. He has had made a large number of lapel buttons, which are given the children for promptness and good deportment, and blue labels which are pasted in the books of those who are neat and keep their books clean. He says that the two systems of reward have worked wonders in his county and he urged all the superintendents to adopt them at once.

The members of the high school section yesterday listened to a paper by Hurbert S. Voorhees, of the science department of the Fort Wayne high school.

The meeting of the classical section at the office of the lieutenant governor, was taken up with papers by Chester T. Lane, of the Fort Wayne high school; Prof. H. M. Kingery, of Wabash college; J. J. Schleicher, of Terre Haute, and Miss Lillian E. Michael, of the Goshen high school.

The following officers were elected:
President—Chester T. Lane, Fort Wayne high school.
Secretary-Treasurer Miss Lillian G. Berry, Indianapolis M. T. H. S.

ABOUT THE CITY HALL.

The meeting of the board of works last evening was the tamest affair in the city hall for some time. The bond of Henry A. Gerberding, sewer builder, was approved, several small bills were allowed and then an adjournment was taken to give the members an opportunity to smoke a merry Christmas cigar of doubtful parentage at Chairman Eggemann's expense.

The claim of W. A. Ross for damages by the flooding of his cellar on Malden lane during an excessive rainstorm last summer was disapproved by the council committee on claims at a meeting held last night.

The finance committee met last evening and passed favorably upon the comptroller's recommendations for additional appropriations as follows: $21 for the street lighting fund; $100 for the city engineer's fund, and $265 for the garbage fund. After the clerk of the committee had finished reading the somewhat detailed report of the comptroller, Councilman Kohrmann jumped to his feet and said he would not vote for anything that he knew nothing about. The comptroller's report was then read a second time, whereupon Mr. Kohrmann said it was all right. The Eighth ward gentleman is gaining rapidly on his ambition to become the "watch-dog of the treasury."

Yesterday afternoon the first one of the pair of rock wells being drilled in the No. 2 field was completed. Drilling was stopped at a depth of 265 feet 6 inches. The water in the casing stands fifteen feet below the top and at that height four feet above the level of the suction pipe. Taking a practical suction lift of twenty-six feet, the water stands for a reduction of a thirty-foot head before it can get out of reach under present conditions. Within 125 feet of the new well there is another well which is connected up and which is being pumped all the time, indicating that there is no connection between the two wells on one hypothesis, or that the static head of both wells cannot be reduced by pumping on the other. Chief Engineer Baxter says that he considers the new well one of the best in the entire Fort Wayne field, judging purely from superficial indications. The well has not yet been tested and Mr. Baxter says that there may be some new developments when the test is made, but that present appearances indicate great things for the city's water supply in that field.

The committee on street lights will tonight recommend the placing of an arc lamp at the Wells street bridge.

The city council will meet tonight in regular session, the Tuesday evening session having been carried over until tonight by resolution. With the exception of a few appropriation ordinances passed on by the finance committee last night and some other minor recommendations, nothing but purely routine business is likely to be presented.

DIED IN SPOKANE.

Mrs. S. A. Green, mother of Mrs. Charles C. D. Heustis, died Christmas night in Spokane, Wash. Deceased was 69 years old and resided in this city up to about twenty years ago, when she removed west. The remains will be brought here for interment and will be accompanied by a daughter, Miss Ida Green.

AGED FARMER DIES SUDDENLY

GEORGE DOCTOR STRICKEN AS HE WAS RETIRING.

Death From Heart Paralysis Followed a Moment Later—Other Mortuary Matters.

George Doctor, an aged and well known farmer, died suddenly at his home in Soest, nine miles southeast of this city, at 9 o'clock Thursday evening. Death was due to paralysis of the heart from apoplexy.

Mr. Doctor was seventy-nine years of age, well-to-do and highly respected. He had not been feeling exactly well for some time, but his condition was not regarded as sufficiently alarming to require the services of a physician. Thursday evening at 9 o'clock he started to retire for the night and while standing beside his bed suddenly dropped to the floor. Other members of the family hurried to his side as quickly as possible, but his death occurred within a minute after he was stricken. Coroner Barnett was summoned to the home this morning and rendered a finding in accordance with the above facts.

The sudden death has created a profound shock in the community, for Mr. Doctor was a pioneer citizen of Allen county and had resided upon his farm at Soest sixty-two years. He leaves a widow and several children.

Hislop.—Funeral services of Mrs. Katherine Hislop will be held Saturday afternoon at 2 o'clock from the residence, 31 Lincoln avenue.

Besancon.—Funeral services of Mrs. Josephine Besancon will be held Saturday morning at 9 o'clock from the residence on Parnell avenue and later from the Cathedral.

Grey.—Funeral services of David S. Grey will be held Saturday morning from the Scheumann undertaking establishment.

Schwartz.—Funeral services of Geo. M. Schwartz will be held Sunday at 1:30 from the residence, 36 Taylor street, and at 2 o'clock from St. John's Lutheran church. Mr. Schwartz was 46 years of age and surviving are his parents, his wife and seven children, the eldest 18 years of age and the youngest but 2.

SHOT THREE MEN.

New York, Dec. 27.—Steve Bederick shot three men in the streets of Passaic, N. J., and when finally he was captured he would have been lynched had it not been for the firm stand made by a local justice of the peace and a few citizens. Bederick had quarreled with John Stondt, and in a rage shot him in the neck. Bederick tried to run away but was followed by a crowd, into which he fired one ball, striking Anton Stull in the thigh and then wounding a man named Lavelle in the arm. After all the chambers in Bederick's revolver had been emptied his pursuers closed in on him and overpowered him. Before he could be rescued from his captors he was terribly beaten. Stondt's wound is dangerous.

SHAW WILL BE SECRETARY

GETS HAPPY MESSAGE FROM THE PRESIDENT.

Mrs. Shaw Decided the Governor to Accept the Appointment—Home Life of the Shaws.

Des Moines, Dec. 27.—Governor Shaw last night received the following telegram from President Roosevelt:

"I am delighted that you have consented to accept the portfolio of secretary of the treasury. Have written."

Pending the receipt of President Roosevelt's letter the governor has made no plans. He expects, however, that he will be called to Washington, and if so he will go at the pleasure of the president.

"I have no plans," said the governor, "except that I assume that I shall fill out my almost completed term as executive. The inauguration of my successor takes place Jan. 16, according to the present plan, and I see no reason why it will not be agreeable to allow things to proceed in their regular course."

GOVERNOR'S WIFE DECIDED.

Governor Shaw's original plan was to go to Washington immediately, but after a conference with Senator Allison and Speaker Henderson in Dubuque, he decided to return to Des Moines and have a final conference with Mrs. Shaw before he proceeded east. It was "up to" Mrs. Shaw to say whether or not the governor would come into the Roosevelt cabinet and she took kindly to the suggestion.

The Shaws are quiet, home-loving people, and care but little for the social side of life. Mrs. Shaw is devoutly religious.

In selecting Governor Shaw President Roosevelt did so without consulting any one. He has known him for many years, having campaigned in the west with him on several occasions. The governor is one of the original gold standard men of the west, and long before the single standard became an emphatic issue he was making speeches for gold. Several times he came as far east as the New England states, urging the single standard as the measure of value. As Secretary Wilson said today:

"Governor Shaw is better known east of the Mississippi than any man west of it."

Although only fifty-three years old, he has been more prominent in politics for more than a fifth of a century. He removed to Iowa early in his life, and has been actively identified with the affairs of that state for many years.

DECLINED A THIRD TERM.

He is now concluding his second term as governor, and could have been renominated for a third had he sought a renomination.

When President McKinley declared against a third term Shaw was mentioned as a presidential possibility by Senator Allison and other Iowans.

He is a banker of considerable local distinction and a lawyer of no mean repute.

ABOUT THE COURT HOUSE.

Holiday business at the court house is very dull and none but pressing business is being considered. In the superior court the case of the Andrews Land and Improvement company vs. Ovid Conner is still dragging its weary length along, being now in the fourth day.

The will of Frederick Spangler, late of Marion township, was filed for probate today.

Edward Gerberding, guardian of Bertha Gerberding, has filed his final report in the circuit court.

Bernard Hesselt has filed a mechanic's lien against Henry Hilgeman and the Home Telephone company for $75. The demand is for sand furnished in the construction of the new telephone building.

Prosecutor Emrick says that Fred Dawsey, the throat-cutting artist, will be arraigned for preliminary hearing as soon as his victim, Mrs. Wilson, is able to leave the hospital. Mr. Emrick thinks the arraignment will be made shortly after Jan. 1.

The county commissioners will be in session tomorrow morning for the first time this week.

Elizabeth J. Sterling has commenced divorce proceedings against Joseph T. Sterling whom she charges with having abandoned her five years ago.

The case of Agnes Sheffel vs. Jennie Work has been dismissed by Judge O'Rourke to whose court the case had been appealed from France's court.

Jacob Keller, a nephew, has been appointed administrator of the estate of George Shaffer, one of the victims of the Christmas tragedy on Broadway.

UNION PACIFIC STATEMENT.

New York, Dec. 27.—The annual report of the Union Pacific railroad, embracing as well a statement of the financial condition of the Southern Pacific and a reference to the part of the Union Pacific in the affairs of the Northern Pacific, was made public today. The financial statement of the Union Pacific showed that the gross receipts for the year ending June 30, were $43,538,181, operating expenses and taxes, $24,587,145, and total net income, $22,172,001. The gross receipts showed an increase of $4,390,483, or 11.21 per cent. and the operating expenses an increase of $3,140,930, or 15.55 per cent. The surplus was $5,178,175, to which must be added $781,080 earned in dividends between April 1 and June 30 by the Northern Pacific stock held by the company. The statement of the Union Pacific included the operations of the Oregon Short Line and the Oregon Railway and Navigation company. The statement of the Southern Pacific showed that the gross revenue was $77,244,898; operating expenses and taxes $50,879,013. Rentals, betterments, sinking fund and discounts absorbed, $24,608,867, leaving a surplus of $3,456,560.

As to requirement of control of the Southern and Northern Pacifics, the report said: "Developments in connection with the constantly increasing traffic of the Northwest and of the states on the Pacific slope and the vital importance of securing for the Union Pacific system its due proportion of the tonnage and revenue tributary to its lines rendered it essential, in the judgment of the board of directors, that steps should be taken to maintain and protect the position of the system and to safeguard its future against combinations of other lines. In furtherance of this policy, and for the purpose of developing and extending the business of the system and opening new channels of interchange, the directors deemed it necessary to acquire $75,000,000 par value of the capital stock of the Southern Pacific company, and $78,108,000 par value of the stock of the Northern Pacific railway company."

ADOPTS RESOLUTIONS.

Directors of the Teutonia Building and Loan association held a meeting last evening and adopted the following resolutions of respect to the memory of the late Otto Herbst, who was for several years secretary of the organization:

"Resolved, That we, the officers of the Teutonia Building, Loan and Savings association, bear witness that Mr. Otto Herbst during his long career as an officer of various building and loan associations in the city of Fort Wayne, Ind., and in particular as an officer of this association since its organization, was distinguished by a high order of honesty, ability and the deportment of a true gentleman;

"That he possessed the virtues of a Christian and true citizen cannot be denied by those who knew him; he was devoted and faithful to every duty and trust bestowed upon him. Of the kindest disposition, he was also of the truest and best of men in relation to his family and friends.

"Resolved, That in expressing our appreciation of his career as secretary of the Teutonia Building, Loan and Savings association we best record the truth known to all who knew him when we affirm that he was always earnest and conscientious, true to the duties and trusts bestowed upon him, a firm and steadfast friend of this association, and always labored with zeal and energy to build up its material prosperity.

"Resolved, That we hereby express our heartfelt sorrow at his death and extend our deepest sympathy to his bereaved widow and family.

"Resolved, That a copy of these resolutions are hereby ordered to be transmitted to his sorely afflicted family and that the same be also spread upon the records of this association."

The resolutions are signed by August M. Schmidt, president; Louis Schirmeyer, vice president; George Motz, treasurer, and the following members of the board of directors: H. W. Meinzen, Aug. F. Schoch, John J. Strodel, Charles A. Hans, C. W. Jacobs, John Rabus and F. E. W. Scheimann.

BECOMES A PARTNER.

The well known wholesale hardware firm of Mossman, Yarnelle & Co., has been augmented by the admission of Ralph Yarnelle and a partner in the institution, the change dating from yesterday. The young man is the eldest son of E. F. Yarnelle, and has been connected with the firm in a clerical capacity since the completion of his college training. He has manifested business ability of a very high order, and as a Christmas recognition his father presented the young man an interest in the business. Mr. Yarnelle's gift, amounting to several thousand dollars in value, came as an entire surprise to the son, and it is of course highly gratifying to him. At the same time it is a thoroughly merited recognition of the developing promise of a business career of the highest order. The new member of the firm is widely known and extremely popular, and his friends will be most cordial in ther expressions of congratulation.

HAD MANY FRIENDS HERE.

Bald?

Then you starved your hair. What did you do that for? When you saw that your hair was falling out, why didn't you use Ayer's Hair Vigor? It feeds the hair, gives it vigor, stops it from falling, makes it grow, and always restores color.

"I was almost bald before I began using Ayer's Hair Vigor. In a short time my hair all came in again, and now it is thick and heavy."

STORMS IN NORWAY.

Christiana, Dec. 27.—The violence of the snow storms which have prevailed during the past week is almost unprecedented. A number of railway trains are stalled in the snow in the southeastern districts of Norway and most of the telegraph wires are down. Traffic in Christiana and its vicinity has been greatly interfered with.

WEDDING AT DAWKINS.

Miss Mary Longardner, daughter of William Longardner, of Dawkins, was united in marriage to D. M. Evard, of Townsley, the pretty ceremony occuring at the home of the bride's father at 4 o'clock on the afternoon of December 18. Only a few close friends of the contracting parties were present, and Rev. E. A Bunner, of Woodburn, officiated. At the close of the ceremony an elaborate wedding dinner was served. Both are excellent young people. The father of the bride is a prosperous farmer of Jefferson township, while Mr. Evard is a member of a prominent Jackson township family.

HEATH FAMILY REUNION.

Muncie, Ind., Dec. 27.—The Rev. Jacob W. Heath and wife celebrated Christmas eve, the seventy-second anniversary of his residence in Muncie, and the fifty-second anniversary of their marriage. They are the parents of Perry S. Heath, former assistant postmaster general of the United States; Fletcher S. Heath, the banker and financier; Fred W. Heath, the promoter, and Cyrus W. Heath. Only members of the family were present. Heath came to Muncie in 1899. He is a local preacher in the Methodist Episcopal church. He is now about eighty years old, but both he and Mrs. Heath, who is about the same age, enjoy good health.

BLOCK AT ANDERSON IN RUINS.

Anderson, Ind., Dec. 27.—Fire was discovered in the Sears block at 1 o'clock this morning, and before the flames were under control property valued at $25,000 was destroyed. The heaviest losers are the Haynes clothing and furnishing store, $7,000; Brickley & Co., druggists, $4,000, Sears real estate company, loss on the building, $12,000. The Western Union telegraph office was badly damaged by the flames. The roof was burned off the Sears block and the loss on the stocks of clothing and drugs is total. The loss is fully covered by insurance. The walls of the ruined building will be torn away at once and a new three-story brick structure will be erected.

FUNERAL OF MAJOR BELKNAP.

Washington, Dec. 27.—Funeral services were conducted at Arlington cemetery today over the remains of Major Hugh R. Belknap, late paymaster in the United States army, who died in the Philippines. The casket containing the body was escorted from the depot by a squadron of cavalry from Fort Myer and was borne on a caisson drawn by four artillery horses. A large number of army and congressional friends were at the cemetery to pay their last tribute of respect.

Ath-lo-pho-ros

Expels RHEUMATISM

Sold by Druggists. *Booklet Sent Free.*
THE ATHLOPHOROS CO., New Haven, Conn.

Rheumatism means that there is something in the blood which ought not to be there. The disagreeable symptoms are not in the disease, but are the efforts of Nature to expel the intruder.

Ath-lo-pho-ros simply gives Nature a boost, and she finishes the job. Ath-lo-pho-ros in itself does not cure Rheumatism, it simply helps Nature. The fact that you have Rheumatism or Neuralgia in any form is proof that Nature needs help.

GREENSBURG, Pa., Jan. 23d, 1900.
I had been afflicted with rheumatism for years until two and one-half years ago I was recommended to try Ath-lo-pho-ros. I took four bottles and have not had rheumatism since. I want to write and tell you how much good it has done me. MRS. THOMAS PATTERSON.

ADOPTS RESOLUTIONS.

Directors of the Teutonia Building and Loan association held a meeting last evening and adopted the following resolutions of respect to the memory of the late Otto Herbst, who was for several years secretary of the organization:

"Resolved, That we, the officers of the Teutonia Building, Loan and Savings association, bear witness that Mr. Otto Herbst during his long career as an officer of various building and loan associations in the city of Fort Wayne, Ind., and in particular as an officer of this association since its organization, was distinguished by a high order of honesty, ability and the department of a true gentleman;

"That he possessed the virtues of a Christian and true citizen cannot be denied by those who knew him; he was devoted and faithful to every duty and trust bestowed upon him. Of the kindest disposition, he was also of the truest and best of men in relation to his family and friends.

"Resolved, That in expressing our appreciation of his career as secretary of the Teutonia Building, Loan and Savings association we best record the truth known to all who knew him when we affirm that he was always earnest and conscientious, true to the duties and trusts bestowed upon him, a firm and steadfast friend of this association, and always labored with zeal and energy to build up its material prosperity.

"Resolved, That we hereby express our heartfelt sorrow at his death and extend our deepest sympathy to his bereaved widow and family.

"Resolved, That a copy of these resolutions are hereby ordered to be transmitted to his sorely afflicted family and that the same be also spread upon the records of this association."

The resolutions are signed by August M. Schmidt, president; Louis Schirmeyer, vice president; George Motz, treasurer, and the following members of the board of directors: H. W. Meinzen, Aug. F. Schoch, John J. Strodel, Charles A. Hans, C. W. Jacobs, John Rabus and F. E. W. Scheimann.

BECOMES A PARTNER.

The well known wholesale hardware firm of Mossman, Yarnelle & Co., has been augmented by the admission of Ralph Yarnelle and a partner in the institution, the change dating from yesterday. The young man is the eldest son of E. F. Yarnelle, and has been connected with the firm in a clerical capacity since the completion of his college training. He has manifested business ability of a very high order, and as a Christmas recognition his father presented the young man an interest in the business. Mr. Yarnelle's gift, amounting to several thousand dollars in value, came as an entire surprise to the son, and it is of course highly gratifying to him. At the same time it is a thoroughly merited recognition of the developing promise of a business career of the highest order. The new member of the firm is widely known and extremely popular, and his friends will be most cordial in their expressions of congratulation.

HAD MANY FRIENDS HERE.

Mrs. F. H. Heitz, mother of Mrs. E. M. Noll, of this city, died Thursday evening at her home in Bucyrus, Ohio, from congestion of the lungs at the age of 70 years. Mrs. Noll has been at her mother's bedside since Monday. The deceased has often visited in Fort Wayne and had many friends in the city.

Bald?

Then you starved your hair. What did you do that for? When you saw that your hair was falling out, why didn't you use Ayer's Hair Vigor? It feeds the hair, gives it vigor, stops it from falling, makes it grow, and always restores color.

"I was almost bald before I began using Ayer's Hair Vigor. In a short time my hair all came in again, and now it is thick and heavy."

STORMS IN NORWAY.

Christiana, Dec. 27.—The violence of the snow storms which have prevailed during the past week is almost unprecedented. A number of railway trains are stalled in the snow in the southeastern districts of Norway and most of the telegraph wires are down. Traffic in Christiana and its vicinity has been greatly interfered with.

WEDDING AT DAWKINS.

Miss Mary Longardner, daughter of William Longardner, of Dawkins, was united in marriage to D. M. Evard, of Townsley, the pretty ceremony occuring at the home of the bride's father at 4 o'clock on the afternoon of December 18. Only a few close friends of the contracting parties were present, and Rev. E. A. Bunner, of Woodburn, officiated. At the close of the ceremony an elaborate wedding dinner was served. Both are excellent young people. The father of the bride is a prosperous farmer of Jefferson township, while Mr. Evard is a member of a prominent Jackson township family.

HEATH FAMILY REUNION.

Muncie, Ind., Dec. 27.—The Rev. Jacob W. Heath and wife celebrated Christmas eve, the seventy-second anniversary of his residence in Muncie, and the fifty-second anniversary of their marriage. They are the parents of Perry S. Heath, former assistant postmaster general of the United States; Fletcher S. Heath, the banker and financier; Fred W. Heath, the promoter, and Cyrus W. Heath. Only members of the family were present. Heath came to Muncie in 1829. He is a local preacher in the Methodist Episcopal church. He is now about eighty years old, but both he and Mrs. Heath, who is about the same age, enjoy good health.

BLOCK AT ANDERSON IN RUINS.

Anderson, Ind., Dec. 27.—Fire was discovered in the Sears block at 1 o'clock this morning, and before the flames were under control property valued at $25,000 was destroyed. The heaviest losers are the Haynes clothing and furnishing store, $7,000; Brickley & Co., druggists, $4,000; Sears real estate company, loss on the building, $12,000. The Western Union telegraph office was badly damaged by the flames. The roof was burned off the Sears block and the loss on the stocks of clothing and drugs is total. The loss is fully covered by insurance. The walls of the ruined building will be torn away at once and a new three-story brick structure will be erected.

FUNERAL OF MAJOR BELKNAP.

Washington, Dec. 27. Funeral services were conducted at Arlington cemetery today over the remains of Major Hugh R. Belknap, late paymaster in the United States army, who died in the Philippines. The casket containing the body was escorted from the depot by a squadron of cavalry from Fort Myer and was borne on a caisson drawn by four artillery horses. A large number of army and congressional friends were at the cemetery to pay their last tribute of respect.

Saturday Dime Matinee—"Faust."

Saturday Night—"The Cotton King."

The withdrawal of Maso's candidacy and candidates in the Cuban campaign upon the plea that Palma is being secretly supported by the Americans presages trouble for the insular government to be. The stoning of General Gomez illustrates the danger and the speed with which the natives forget services rendered in their cause.

The trend of opinion in New York is that there will be no revision of the Sunday liquor law, at least for some time to come. District Attorney Jerome is now left as the sole advocate of more liberal rules. Mayor-elect Low, Governor Odell and Senator Platt are reported to have convinced each other that it would be unwise to make any change. One powerful political argument used was that the up-state voters would not stand for it, thus directly illustrating the moral influence of the country upon the city.

Many persons will learn with regret of the death of Captain Richard Leary, of the United States navy. Captain Leary was picturesque. Fame had passed him by most of his life, until in a fortunate moment President McKinley sent him to be governor of Guam, one of our little Pacific islands acquired from Spain. Captain Leary began to institute reforms at once. He disdained justice with impartial, if autocratic hand. Confiding that if the natives, who are fearfully lazy and lamentably given to petty theft, had more restraining and esthetic culture they would be good, he attacked them on their weak side, a love for music. His requisition for a large consignment of musical instruments raised a laugh in this country, but Captain Leary did not mind that. He was trying to deal with a condition, not a theory. He had a fine humor and the attention he attracted while governor of Guam came largely from the uniquely humorous character of his official reports.

Reports from Cuba announce the withdrawal of General Maso from the presidential contest, which leaves the field cleared of all open opposition to Senor Estrada Palma. Senor Palma will be elected and he is precisely the character of man the Cubans need specially at the outset of their national career. Senor Palma is able, conservative, honest and enough of an American of the United States brand to give the Cubans the sort of administration that will start them on the right road to independent citizenship the world can approve. He has the support of that splendid old patriot and revolutionary hero, Gen. Maximo Gomez, and that endorsement ought to go a long way with the Cubans. However, it is apparent that trouble is brewing. Maso's following, which consists of the radical element, has made many demonstrations against the old warrior, even attempting violence to his person. This does not augur well for the Cuban republic, and there is more than a little evidence that the new government will have to face more or less serious crises from the beginning. Uncle Sam has done the best he can for the Cubans and it is now "up to" them to prove they are capable of the independence for which they have so long strived.

CONSTITUTION IS APPROVED

NEW ORGANIC LAW OF THE M. E. CHURCH ANNOUNCED.

Changes Carried by a Decisive Vote—Women May Now Sit in Conference.

Chicago, Dec. 27.—Announcement has been made that the new constitution of the Methodist Episcopal church, which was adopted at the last general conference of that denomination, held at the Auditorium in 1900 and referred to the various conferences throughout the country, has finally been approved by the three-quarters vote required. The vote is as follows: Ayes, 9,196; nays, 2,513. The elements which opposed the new organic law of the church because it provided for the admission of women as delegates to the general conference, made war on the new constitution all along the line, but met with defeat. One hundred and twenty-one annual conferences voted on the question, a total of 10,709 ballots being cast by the delegates. The principal changes provided for by the new constitution are:

It gives women the right to sit as delegates in the general conference.

It gives laymen's electoral meetings authority to vote on constitutional questions.

It changes the vote necessary in the general conference to amend the constitution from three-fourths to two-thirds.

TO DISTRIBUTE $150,000,000.

New York, Dec. 27.—Wall street's New Year's gift to stockholders and investors will be nearly five times greater than its Christmas disbursement of $32,000,000 in interest and dividends. It is estimated that the January disbursements in New York for the two items of interest and dividends will aggregate $150,000,000.

Boston will divide $35,000,000 and Philadelphia $25,000,000, making a total New Year's gift for the three cities of $210,000,000. Of this vast sum the United States government will contribute a little more than $4,000,000, a part of which has been anticipated and paid out to bondholders by the subtreasury here.

While the January disbursements of $150,000,000 do not break the record, the total is sufficiently large to foretell an active market early in the new year. The dividend and interest money must seek reinvestment. It will do so largely through the stock market.

A TELEPHONE DEAL

AMERICAN COMPANY TO ABSORB THE ERIE.

LATTER IN SORE STRAITS

HEAVY DEBTS ARE DUE AND NO MONEY TO PAY.

A $32,000,000 CONSOLIDATION

BASIS OF THE AGREEMENT SUBMITTED.

Boston, Dec. 27.—Details of a plan for the reorganization of the Erie Telegraph and Telephone company, with a capital of $32,000,000, involving a transfer of control to the American Telephone and Telegraph company, are made public in a circular to the shareholders of the Erie company, issued today. Kidder, Peabody & Co. will carry out the plan if it is accepted by the shareholders. That the step will be taken is thought to be assured, in view of the statement in the circular that the financial condition of the company is "critical," and the declaration that $9,000,000 in notes with interest from July 10, 1901, at 5 per cent. per annum, fall due January 10, 1902, while "the company has on hand to meet these maturing notes no cash or securities upon which cash can be raised, nor any other available resources, and it will therefore be unable to pay them."

The circular also refers to the necessity of spending $6,000,000 on subsidiary companies, which amount the Erie is unable to furnish.

The reorganization plan, which the Erie directors recommend, involves the formation of a new company with $16,000,000 in preferred stock, to be 6 per cent., cumulative after two years from issue, and $16,000,000 common stock, par value of each $100. This stock will be subject only to an indebtedness of $10,000,000 gold bonds.

The 1928 and 1929 bondholders of the present company are offered $800 5 per cent. bonds of the new company due in 1932, and two shares of preferred stock of the new company for each $1,000 bond of the present company.

The 1909 and 1926 bondholders of the present company are offered $1,050, 5 per cent. bonds of the new company, due in 1932, for each $1,000 bond of the present company.

Present stockholders may purchase preferred and common stock in the new company upon payment of $25 per share of the present stock; each holder of four shares to receive one share preferred stock and three shares common stock in the new company.

From the remainder of the securities of the new company a majority of both preferred and common stocks will be sold to the American Telephone and Telegraph company, and the outstanding notes of the present company of $9,000,000 will be cancelled, while $6,000,000 will be paid into the treasury of the new company for the improvement of the plants of the subsidiary companies.

TALKS OF FORT WAYNE SCHOOL.

(Indianapolis Sentinel.)

Chester T. Lane, principal of the Fort Wayne High school, is at the English to attend the meeting of the state teachers' association. Said Mr. Lane: "Fort Wayne citizens are much interested in the new manual training school that is to be erected there. The ground, located in the central part of the city, has already been purchased and the building will be completed as rapidly as possible. There are over 400 students in the High school now, and it is expected the number will be increased to 600 when the new manual training feature is added. The school will be run much as your own manual training institution, I presume and the classical and literary studies will be taught there just as they are in the High school. This will make the only manual training school in the state outside of Indianapolis, I believe."

THREE BURNED TO DEATH.

Buffalo, N. Y., Dec. 27.—Three children of Madary Grzela were burned to death early today in a fire that destroyed a two story frame building in Lombard street. They were aged 10, 7 and 3. The mother and a baby two days' old were carried from the building on a mattress.

WILL OUTLAW HORSEMEN.

New York, Dec. 27.—The statement that the jockey clubs stewards have decided to "outlaw" all the owners, trainers and jockeys who continue to participate in the running races at the Charleston Industrial fair, was officially affirmed at the office of the jockey club today. It has been said that the decision of the governing turf body in the matter was not reached until after the horsemen had applied for an opinion as to their standing if they should race at Charleston. One of the officials of the jockey club said today that the horsemen were warned before they ever went to Charleston, and were informed what the consequences would be if they raced there.

GAMBLERS EXPELLED.

Vienna, Dec. 27.—Emperor Francis Joseph has ordered the expulsion from Austria of the principals in the baccarrat game of December 21, when, at the Vienna Jockey club, Count Potocki lost $500,000 during three hours 'playing, Count Pallavicini winning most of the money. Counts John and Joseph Potocki have retired to Russia. Gambling for large amounts of money is illegal in Austria.

OPPOSE SALE OF ISLANDS

PEOPLE OF DENMARK WANT TO VOTE ON MATTER.

Petition is Presented—People of the Islands Demand Reforms, but Oppose a Sale.

Copenhagen, Dec. 27.—A petition against the sale of the Danish West Indies without first submitting the matter to a plebescite, referred to in these dispatches December 24, was presented yesterday to King Christian, the cabinet and the rigsdag. It bore 850 signatures.

NATIVES OPPOSE SALE.

St. Thomas, D. W. I., Dec. 27.—A large orderly demonstration took place at Christiansted, Island of St. Croix, D. W. I., yesterday afternoon. Those who took part in it comprised representatives of the native, official and planting elements. Resolutions were adopted urging Denmark to introduce reforms and improvements in the Danish West Indian islands and to lift the islands out of the humiliations of the past. It was also set forth that the leading inhabitants of the islands, especially the natives of standing, merchants, planters and Danish subjects generally, demand that the islands be not sold, but that commercial, industrial and social reforms under the Danish flag be instituted. The resolutions express confidence that King Christian and his ministry will consider the demands. The procession, which was headed by bands of music, marched through Christiansted, carrying nine hundred flags and cheering for the king.

SAMPSON'S BRAIN IS TIRED

WIFE SAYS HIS MENTAL CONDITION IS HOPELESS.

Physically Comfortable and Happy, But Otherwise Worn Out—Letter to an Old Friend.

Urbana, Ill., Dec. 27.—John B. Weeks, of Champaign, a personal friend of Rear Admiral Sampson, has received a letter from Mrs. Sampson, in which she says the mental condition of the admiral is beyond recovery. The letter was written in reply to a note expressing sympathy with the rear admiral in the personal annoyances he has suffered in the controversy with Rear Admiral Schley. The letter follows:

"Washington, D. C., Dec. 23.—My Dear Mr. Weeks: Admiral Sampson is too ill to really understand your most kind letter, just received, but if he were well he would wish to thank you for it, he cares so much for all 'old times' and for anything that concerns Palmyra.

"The wording of your letter shows that living in the west has not blinded your eyes to the truth concerning recent events. I have enjoyed your expression of the true facts as you understood them.

"My dear husband is quite worn out with a long life of concentrated duty. Physically he is comfortable and happy, but the brain is tired beyond ever being rested.

"Elizabeth Burling Sampson."

AMERICAN LEASES MANSION.

London, Dec. 28.—W. Curtis Wakefield, of New York, is the name of of the American who has leased Ditton park, near Windsor, for the coronation year. It is a magnificent mansion, surrounded by a broad, deep moat, which is crossed by a single bridge through an embattled, arched gate house. A park of 300 acres surrounds the residence, which was the home of the late Duchess of Buccleuch. The agents of the estate hope that Mr. Wakefield will ultimately purchase the property.

CAPTAIN LEARY DEAD.

Washington, Dec. 27.—The navy department this morning received the following telegram from Admiral Mortimer L. Johnson, commanding the Boston navy yard, dated today:

"Captain Richard P. Leary, U. S. N., died this morning at Marine hospital, Chelsea."

Captain Leary was the first governor of Guam after that island came into the possession of the United States.

A HAPPY NEW YEAR

With a sincere appreciation for the extensive and liberal patronage bestowed upon us during the past year, we desire to cordially thank those who have seen fit to extend to us their valuable friendship.

During the past year we have actually doubled the volume of our business in our 28 stores.
We are the leading Credit Clothiers of America.
That isn't a mere statement—it's a very big fact.
Our policy is ever FORWARD.
We shall endeavor during the coming year to earn a larger share of public confidence.

We shall continue to sell Clothing, Hats and Shoes for men, women and children at cash store prices on the most generous terms of credit.

We shall persist in keeping up quality without sacrificing a particle of style. Why not accept our earnest invitation to begin the New Year by opening a charge account with us. You'll be the gainer—you can wear better clothes and more of them, and by our unmatchable system of small and convenient payments the money that would otherwise be spent in unnecessary trifles will clothe you fashionably and comfortably.—Try it.—We'll trust you.

SAMPSON'S BRAIN IS TIRED

WIFE SAYS HIS MENTAL CONDITION IS HOPELESS.

Physically Comfortable and Happy, But Otherwise Worn Out—Letter to an Old Friend.

Urbana, Ill., Dec. 27.—John B. Weeks, of Champaign, a personal friend of Rear Admiral Sampson, has received a letter from Mrs. Sampson, in which she says the mental condition of the admiral is beyond recovery. The letter was written in reply to a note expressing sympathy with the rear admiral in the personal annoyances he has suffered in the controversy with Rear Admiral Schley. The letter follows:

"Washington, D. C., Dec. 23.—My Dear Mr. Weeks: Admiral Sampson is too ill to really understand your most kind letter, just received, but if he were well he would wish to thank you for it, he cares so much for all 'old times' and for anything that concerns Palmyra.

"The wording of your letter shows that living in the west has not blinded your eyes to the truth concerning recent events. I have enjoyed your expression of the true facts as you understood them.

"My dear husband is quite worn out with a long life of concentrated duty. Physically he is comfortable and happy, but the brain is tired beyond ever being rested.

"Elizabeth Burling Sampson."

AMERICAN LEASES MANSION.

London, Dec. 28.—W. Curtis Wakefield, of New York, is the name of of the American who has leased Ditton park, near Windsor, for the coronation year. It is a magnificent mansion, surrounded by a broad, deep moat, which is crossed by a single bridge through an embattled, arched gate house. A park of 300 acres surrounds the residence, which was the home of the late Duchess of Buccleuch. The agents of the estate hope that Mr. Wakefield will ultimately purchase the property.

CAPTAIN LEARY DEAD.

Washington, Dec. 27.—The navy department this morning received the following telegram from Admiral Mortimer L. Johnson, commanding the Boston navy yard, dated today:

"Captain Richard P. Leary, U. S. N., died this morning at Marine hospital, Chelsea."

Captain Leary was the first governor of Guam after that island came into the possession of the United States.

HONORED BY THE POPE.

New York, Dec. 27.—According to a recent mandate of Pope Leo, John D. Crimmins, of this city, has been created a knight commander of the Order of St. Gregory. This title is conferred only for zeal in religion or special acts of charity.

A HAPPY NEW YEAR

With a sincere appreciation for the extensive and liberal patronage bestowed upon us during the past year, we desire to cordially thank those who have seen fit to extend to us their valuable friendship.

During the past year we have actually doubled the volume of our business in our 28 stores.
We are the leading Credit Clothiers of America.
That isn't a mere statement—it's a very big fact.
Our policy is ever FORWARD.
We shall endeavor during the coming year to earn a larger share of public confidence.

We shall continue to sell Clothing, Hats and Shoes for men, women and children at cash store prices on the most generous terms of credit.

We shall persist in keeping up quality without sacrificing a particle of style. Why not accept our earnest invitation to begin the New Year by opening a charge account with us. You'll be the gainer—you can wear better clothes and more of them, and by our unmatchable system of small and convenient payments the money that would otherwise be spent in unnecessary trifles will clothe you fashionably and comfortably.—Try it.—We'll trust you.

BOERS GIVE ENEMIES TOKEN FOR CHRISTMAS.

BRITISH LOSSES ARE HEAVY

RUNDLE REPORTS DISASTER TO BE GRAVE AFFAIR.

London, Dec. 27.—The following dispatch has been received from Lord Kitchener, dated Johannesburg:

"General Rundle reports that the night of December 24 Colonel Firman's camp at Zeefontein, consisting of three companies of yeomanry and two guns, were successfully rushed by a strong commando under Dewet.

"It is feared the casualties were heavy.

"Two regiments of light horse are pursuing the Boers."

Boer resistance has always been very strong in that part of the Orange River Colony which was the scene of General Dewet's Christmas coup. A great quadrangle of blockhouses is being built there, the four points of which are Vereenigmen, Volksrust, Harrismith and Kroonstadt. At the southeast corner of this quadrangle is a long open space from Bethlehem to Lindley, where the square of blockhouses is still incomplete, and there Dewet made his attack.

Colonel Firman's force probably amounted to 400 men, and the disaster, especially the loss of the guns, the possession of which may enable Dewet to attack the blockhouses, creates a disturbing impression.

BILLIARDISTS GO ABROAD.

New York, Dec. 27.—Jacob Schaefer, champion billiardist of the world by reason of winning the recent tournament at Madison Square Garden, has sailed for Paris, on board the Savoie. With him went Leonard Howison, of Canada; Louis Barutel, of Paris; Jose Ortiz, of Spain, and John Moulds, of this city. They go abroad under engagement to play daily with the local French professionals, Reni, Ducatti and Ferdinand. Schaefer expects to be gone at least five months. Before returning to this country he anticipates meeting the leading French experts for the diamond emblem which he holds as the badge of world's champion. His strongest opponents will, it is said, be Vignaux, Fournil, Gibelin and Cure.

CAPTIVES ROB THEIR CAPTOR.

Memphis, Tenn., Dec. 27.—The sensational robbery of the Higginson, Ark., railway depot on the Iron Mountain road by a lone bandit yesterday morning was followed yesterday by a still more startling episode, when one of the pursuing officers was captured by a trio of outlaws. Joe Canada, deputy sheriff, acting under orders of Sheriff Moore, went into the bottom woods near Higginson to search for the bandits and met three men, one of them a negro. He covered them with his revolvers and compelled them to turn over all their valuables, including their weapons. As he mounted his horse, intending to drive the men to Searcy, the county seat, the negro leaped upon him, pinioning his arms. The white men soon recovered the property taken from them and took all of Canada's belongings. Then they made good their escape.

HIDE MARRIAGE FOR YEARS.

Kansas City, Mo., Dec. 27.—A marriage kept secret for more than five years was revealed at the Christmas celebration at the home of Will J. Murray, at 2322 Brooklyn avenue. The principals were Miss Nancy Washburn and Creed Murray, son of a prominent grocer. They were married in Chicago in July, 1896. Young Mrs. Murray continued to live with her mother in Chicago. Murray had taken his brother into his confidence. The latter informed the father, who after an outburst of rage, forgave the couple.

CZAR WILL ATTEND.

London, Dec. 27.—It is said that the czar has accepted an invitation to attend the coronation of King Edward, provided that the czarina is in good health at the time of the ceremony.

DIED GUARDING HIS STILL.

Sharon, Pa., Dec. 27.—John Swogger's house was burned down, and being of an eccentric turn of mind he informed his friends that he would sleep in the ruins. Accordingly he built a fire in the debris, and in the morning neighbors found him dead, with all his clothes burned off his body. When a search was made of the ruins it was discovered that Swogger had been running a distillery, which prompted him to guard closely the place for fear of discovery that he was making moonshine whisky.

A MURDERER HANGED.

Trenton, N. J., Dec. 27.—Robert Hensen (colored) was hanged today in the Mercer county jail for the murder of Mrs. Mary Van Lieu (colored) and her child. The drop fell at 11:13. Hensen, who had been unruly in jail for some time past and had struck one or two of the keepers, was very orderly this morning. He was accompanied to the scaffold by Fathers Fox and Callahan, of St. Mary's cathedral. Hensen set fire to a house and Mrs. Van Lieu and her child were burned to death.

STORM DOES GREAT DAMAGE

VANCOUVER SOUND SWEPT BY TERRIFIC GALE.

Small Shipping Suffers Much—Tidal Wave Washes Away Many Houses at Seattle.

Vancouver, B. C., Dec. 27.—The worst storm for several years struck Vancouver at midnight Wednesday and continued all day Thursday. Great damage was done, especially to small shipping, the total loss being estimated at about $100,000. The steamer Aorangi, coming in from Australia, lay in English bay all night and got her anchor foul of the Canadian Pacific cable to Victoria, the end of which is now lost. The cable station was wrecked by storm and logs piled against it.

Fifteen small steamers went adrift, and all were more or less damaged.

Wreckage has been picked up in the gulf including several cases of Alaska Packers' company salmon, marked "Todd, Icy Pass." These are thought to be either from a southbound steamer or from the Mainlander. The latter has not arrived and no news here as to whether she left Seattle on time last night or not.

STORM DID GREAT DAMAGE.

Seattle, Wash., Dec. 27.—Thursday night's storm did much damage and endangered many lives in this city. Along the north end of the water front where wind and wave had full sweep at high tide the breakers washed away eight houses. Floating driftwood battered these to match wood. The occupants bare escaped. On North Broadway a little cottage was overturned. No one was injured. High water on the Duwamish river added to the complexity of the situation. Wires are down all over the city. The highest velocity of the wind was thirty-five miles an hour.

A number of little folks were entertained at the home of Mr. and Mrs. J. T. Wichmann, 27 Schick street, on Christmas day, in honor of the ninth anniversary of the birth of their little daughter, Stella. The occasion was an extremely pleasant one.

BANK CLERK ARRESTED.

St. Louis, Dec. 27.—Theodore Dudleston, jr., formerly assistant bookkeeper for the Stock Yards bank of East St. Louis, Ills., was arrested today on a warrant sworn to by Chas. L. Jones, manager of the National stock yards, and charging him with embezzlement. The amount named in the warrant as embezzled is $11,-054.

FATAL LIST IS COMPLETED

HENRY ANDERSON DIES AT HOPE HOSPITAL.

Last of the Trio Asphyxiated in the Shaffer House on Broadway Christmas Day.

Without having regained consciousness, Henry Anderson, who was dragged from the deadly gas fumes in the Shaffer house on Broadway Wednesday afternoon, died at Hope hospital Thursday evening at 7:30 o'clock. Anderson's death brings the total fatalities up to three and the list includes all the inmates of the house at the time.

Anderson's condition was recognized as practically hopeless from the time he was taken to the hospital, for there was no response to the most skilled and faithful efforts at resuscitation upon the part of the physicians and nurses. Prolonged hours in the death-laden fumes of the Shaffer house had carried the patient beyond human aid and he steadily sank until death came Thursday evening, about twenty-eight hours after he had been discovered in the home where two companions—George Shaffer and Anna James—were already dead from asphyxiation. A post mortem examination upon Anderson's remains held at the hospital soon after his death revealed the same congested condition of the stomach and intestines present in the cases of both the other victims.

The officers find that in each case death was due to asphyxiation and believe all three had been indulging freely in liquor before retiring Tuesday evening. Dr. A. H. Macbeth is now engaged in making a chemical analysis of the contents of the stomach of the James woman to determine whether or not there was anything of a poisonous nature in what they drank that might have deepened the stupor into which the victims had fallen when the fumes did their deadly work. This examination will not be completed for several days. In the death certificate prepared by the coroner in the case of the James woman the immediate cause of death is given as asphyxiation by gas; contributory cause, intoxication; post mortem condition, general hyperemia of the lungs, stomach and small intestines.

Coroner Barnett and Superintendent Gorsline made a thorough examination of the Shaffer house Thursday afternoon, and tucked away in the bedding of the cot occupied by Anderson was found a quart bottle about one-fourth full of very bad whisky. The investigation also showed that the chimney was free and not stopped up by soot and ashes as had been previously stated. The damper in the pipe from the kitchen stove, however, was turned squarely across, and this had undoubtedly obstructed the escape of the fumes from the stove.

Anderson's remains were removed to the Klaehn & Melching undertaking rooms and prepared for burial. Anderson was 69 years of age, and there are a number of relatives in this county. He had never married. The funeral will probably be held from the undertaking rooms Sunday afternoon at 1:30. The interment will occur at Hadley.

The remains of George Shaffer will be interred beside those of his wife at Five Points, the funeral being held from Wellman's undertaking rooms Saturday morning at 9 o'clock.

The remains of Anna James are still at the Peltier morgue, awaiting a claimant. Hundreds of people have called there to view the gruesome sight since the discovery of the bodies Wednesday afternoon.

THE NEWS OF THE POLICE

SALOONKEEPER FINED FOR SELLING TO MINERS.

Aftermath of the Post-Christmas Social Session in Police Court—Other News.

In the absence of Judge Louttit, Special Judge Bittenger this morning again presided at police court. The street car racket detailed in Wednesday and Thursday's papers bore tangible fruit this morning. Conductor Dustman filed an affidavit against Edward Wefel, better known as "Fatty" Wefel, charging him with assault and battery. After a lengthy trial, involving much testimony and very little evidence, "Fatty" was soaked to the tune of $50 and costs, altogether amounting to $65.50. Wefel's father was in court and stayed the docket for ninety days. The suit was pressed by the street car company.

John Mason was arrested by Pennsylvania Officer Bates last night on the company's right-of-way, and slated for intoxication. He offered no defense and was sent over for eleven days.

The aftermath of the arrests of Frank Wing and Fred Snyder on Wednesday for intoxication came this morning, when Joseph A. Fricke was arraigned, charged with having sold the boys liquor, knowing them to be minors. Fricke is a bartender at the Schmitt saloon, on Chicago street, and to the charges he entered a plea of not guilty. The evidence of the boys was conclusive and to the facts alleged Fricke did not enter any denial, basing his defense on the statement that he presumed the boys were of age and saying that anyone could be readily deceived by their appearance. Judge Bittenger took a different view of the matter and said that no one would believe Snyder to be even 17 years of age, that being the age he gave. The judge delivered a lengthy oration in measured cadence, the final strain of which conveyed the general idea that Mr. Fricke was mulcted in the sum of $30 and costs for selling liquor to Frank Wing. In the Snyder case the judge said he would await further evidence until tomorrow morning, but subsequently he dismissed the case altogether. Explaining his later action he said that he had learned that the saloonkeeper, who would eventually have to pay Fricke's fine, has not been a frequent offender and that he thought the one fine was sufficient for the lesson it was intended to convey.

A little fellow who gave his name as Frank Stefano and his home as Buffalo, had to be waked up when his name was called. He was found under a seat on a Nickel Plate eastbound train last night and was sent to the city prison for safe keeping. No charge was placed against him, it being the intention of the officers to administer a reprimand and send him out of town. He was too sleepy to understand what was going on, but was finally waked up sufficiently to give his name and tell where he was from. He said he ran away from home at Buffalo a week ago last Monday and went direct to Chicago. He had a little money when he got there, but it is all gone now. Yesterday he concluded to go back home where his pa lives and got as far as Fort Wayne when he was rounded up. He was rather neatly dressed and altogether too clean to pass as a juvenile tramp. He was taken back down stairs and given a place to sleep, and this afternoon he will probably be sent on his way to Buffalo.

S. Baum, the Harrison street commission merchant, reported that some bad boys had broken a glass door at his establishment last night.

Two bundles of laundry were stolen from the porch of the house at No. 322½ West Washington street last night.

Two young lads named Fordham and Sites were practicing with a target gun yesterday afternoon, when a bullet went astray and passed through a door, lodging in the plastering on the wall of the residence of W. H. Fisk, at the corner of Fox and DeWald streets. No damage was done and the thoughtless boys were more thoroughly frightened than the inmates of the house.

OBERLIN WINNING GIFT.

Oberlin, O., Dec. 27.—The trustees of Oberlin college met today to take action relative to the provisional gift of $200,000 made by J. D. Rockefeller, who some time ago stated that he would give that amount if the college would secure subscriptions amounting to $300,000 from other sources by Jan. 1. Reports made at today's meeting indicated that the trustees had secured all but $38,700 of the required amount. Trustee J. G. W. Cowles will go to New York tonight to ascertain if Mr. Rockfeller will make his gift on this basis. The trustees will meet in Cleveland next Tuesday to receive Mr. Cowles' report.

ELECTRIC LINE MEN HERE.

D. J. Cable, of Lima, O., who is the moving spirit in the proposed interurban line connecting Fort Wayne and Lima, arrived in the city at noon today in company with Messrs. F. P. Edson and H. Heyman, of Van Wert, who have been securing right of way for the new road. It is understood that Mr. Cable's visit to Fort Wayne at this time is for the purpose of looking over the interurban situation in this city.

LOCAL LINES.

E. W. Miner, of the Garrett Herald and the Auburn Courier, was in the city on business today.

John Double, the well known feed yard proprietor, is quite ill at his home on East Main street.

Frederick Scheumann, the funeral director, has gone to Mt. Clemens, Mich., for medical treatment.

Mr. and Mrs. L. Lehman, of Cincinnati, Ohio, are in the city, the guests of Mr. and Mrs. Ben Lehman.

The Fort Wayne Jewish Sabbath school today, through Rabbi Frederick Cohn, made a contribution to the McKinley national monument fund.

Miss Lottie Racine last evening entertained the North Side Pedro club, Mrs. K. Harber winning first prize and Mrs. John Young the consolation.

WHERE DID POMPEIIANS GO?

Max Nordeau raises an interesting question concerning Pompeii. He writes as follows to the Neue Freie Presse (Vienna): "One thing has always been a puzzle to me. Here was a flourishing city of about thirty thousand inhabitants, most of whom evidently were well to do. A few hundreds, at most, lost their lives in the destruction of the city; the rest escaped. The eruption of Vesuvius continued only a few days, after which the district returned to its usual placid condition. In many places the deposit of ashes and lava was only a yard thick, and it was not more than three yards thick at any point yet excavated. How did it happen that these 30,000 homeless showed no desire to return to their beautiful houses, so well built that they are standing to this day, and which could have been restored at the time with very little labor? Why did they not make the slightest attempt to regain their valuable property in land and buildings, furniture, bronze, marble, gold, silver and jewels? Were the Pompeiians so rich that the loss of their perfectly appointed homes appeared trivial to them, so that they preferred settling elsewhere to restoring their city? Or did superstition prevent the attempt?"

YOU DO NOT KNOW

what is the matter with you—feel all out of sorts. Are constantly troubled with sick headaches—you're not up to things and are cross and irritable. Bilious too, perhaps, and constipated. Your breath is offensive; you have a bad taste in your mouth and don't enjoy your food.

You have bad attacks of "the blues"—nothing seems worth while and you are altogether miserable in mind and body. Probability is you are taking headache powders for your headaches—they allay them for the time, but only for the time. Then you are taking pills and strong cathartics for your constipation and breath sweeteners for your bad breath.

None of these things get at the seat of the trouble and as the days go on you get worse instead of better and you will continue to get worse on this treatment. You are trying to cure effects instead of causes—the trouble is all in one place

IT'S YOUR STOMACH

Fact is when you sift the whole thing down, disorders of the stomach are responsible for nine-tenths of the ills that human flesh is heir to and if you will keep your stomach right you can be pretty sure of good health.

Cure your stomach and you will cure the rest. Get it in good condition and keep it so and you will be able to stop all the dosing and constant physicing that seem necessary to you now.

There is only one thing for this purpose—a gentle, corrective laxative that assists nature (does not force it), puts the stomach in its normal condition, aids digestion and tones the whole system up. It is a carefully prepared compound of efficacious remedies made according to the formula of a prominent and successful physician, and used by him for many years in his regular practice and is known as

ROOSEVELT'S DOUBLE.

"The president's in the secretary's office," whispered an excited messenger to the officials and clerks he met in the offices and corridors of the navy department last Tesday morning. No president since General Grant had visited any of the executive departments, and the messenger's report naturally caused some excitement among the employes. All of them knew President Roosevelt through his services as assistant secretary, and most of them made it convenient to drift into the secretary's ante-room with a view of seeing the president. They did not see him, however, because he was not there. But they did see Representative Moody, and the messenger's mistake was understood at once. Every president has a double, and Mr. Moody is President Roosevelt's. To those who know them both well there are many points of difference in their appearance, but all other persons might easily mistake one for the other, and it has often occurred outside of Washington.—Washington Star.

NEW RING-MAKING MACHINE.

An ingenious labor-saving machine, which will completely revolutionize the finger ring manufacturing industry of England, has been devised by Mr. C. P. Denkin, a Birmingham jeweler. This machine effects in one almost instantaneous operation the work of several men. A sightst ring fresh from the mold is placed in one tool of the Denkin invention, and within the space of a few seconds the inside is fixed, polished and lapped. The treatment of the face of the signet is equally simple and rapid. By means of an ingenious device it is clamped and trained to a revolving surface of special design. In a short space of time the face is finished to perfection, whereas at present the ring has to pass through the hands of four skilled workmen. The process is so simple that it can be worked by a boy or girl, which means a considerable economy in the cost of production.—Scientific American.

MONTANA SAPPHIRES.

In four places in Montana sapphires of high grade are found. These are at Rock creek, in Missouri county, where stones of many tints, some of them exceptionally beautiful, are found in quantity; on the Missouri river, between Canyon Ferry and American bar, where sapphires of bluish green, blue and white are taken out in large quantities, on Cottonwood creek, in Deer Lodge county, where the stones are similar in variety to those on Rock creek, and at Yogo, in Fergus county, seventy-five miles northeast of Helena, near Utica, where the stones are exceptionally beautiful, being of the bright blue, and, while not as dark as the Ceylon stones, they have a richness and brilliancy not equaled by the oriental stones. [illegible] sapphires are found [illegible] lead cutting season.

The steamer Aorangi, coming in from Australia, lay in English bay all night and got her anchor foul of the Canadian Pacific cable to Victoria, the end of which is now lost. The cable station was wrecked by storm and logs piled against it.

Fifteen small steamers went adrift and all were more or less damaged.

Wreckage has been picked up in the gulf including several cases of Alaska Packers' company salmon, marked "Todd, Icy Pass." These are thought to be either from a southbound steamer or from the Mainlander. The latter has not arrived and no news here as to whether she left Seattle on time last night or not.

STORM DID GREAT DAMAGE.

Seattle, Wash., Dec. 27.—Thursday night's storm did much damage and endangered many lives in this city. Along the north end of the water front where wind and wave had full sweep at high tide the breakers washed away eight houses. Floating driftwood battered these to match wood. The occupants bare escaped. On North Broadway a little cottage was overturned. No one was injured. High water on the Duwamish river added to the complexity of the situation. Wires are down all over the city. The highest velocity of the wind was thirty-five miles an hour.

A number of little folks were entertained at the home of Mr. and Mrs. J. T. Wichmann, 27 Schick street, on Christmas day, in honor of the ninth anniversary of the birth of their little daughter, Stella. The occasion was an extremely pleasant one.

BANK CLERK ARRESTED.

St. Louis, Dec. 27.—Theodore Dudleston, jr., formerly assistant bookkeeper for the Stock Yards bank of East St. Louis, Ills., was arrested today on a warrant sworn to by Chas. L. Jones, manager of the National stock yards, and charging him with embezzlement. The amount named in the warrant as embezzled is $11,054.

FATAL LIST IS COMPLETED

HENRY ANDERSON DIES AT HOPE HOSPITAL.

Last of the Trio Asphyxiated in the Shaffer House on Broadway Christmas Day.

Without having regained consciousness, Henry Anderson, who was dragged from the deadly gas fumes in the Shaffer house on Broadway Wednesday afternoon, died at Hope hospital Thursday evening at 7:30 o'clock. Anderson's death brings the total fatalities up to three and the list includes all the inmates of the house at the time.

Anderson's condition was recognized as practically hopeless from the time he was taken to the hospital, for there was no response to the most skilled and faithful efforts at resuscitation upon the part of the physicians and nurses. Prolonged hours in the death-laden fumes of the Shaffer house had carried the patient beyond human aid and he steadily sank until death came Thursday evening, about twenty-eight hours after he had been discovered in the home where two companions—George Shaffer and Anna James—were already dead from asphyxiation. A post mortem examination upon Anderson's remains held at the hospital soon after his death revealed the same congested condition of the stomach and intestines present in the cases of both the other victims.

The officers find that in each case death was due to asphyxiation and believe all three had been indulging freely in liquor before retiring Tuesday evening. Dr. A. H. Macbeth is now engaged in making a chemical analysis of the contents of the stomach of the James woman to determine whether or not there was anything of a poisonous nature in what they drank that might have deepened the stupor into which the victims had fallen when the fumes did their deadly work. This examination will not be completed for several days. In the death certificate prepared by the coroner in the case of the James woman the immediate cause of death is given as asphyxiation by gas; contributory cause, intoxication; post mortem condition, general hyperemia of the lungs, stomach and small intestines.

Coroner Barnett and Superintendent Gorsline made a thorough examination of the Shaffer house Thursday afternoon, and tucked away in the bedding of the cot occupied by Anderson was found a quart bottle about one-fourth full of very bad whisky. The investigation also showed that the chimney was free and not stopped up by soot and ashes as had been previously stated. The damper in the pipe from the kitchen stove, however, was turned squarely across, and this had undoubtedly obstructed the escape of the fumes from the stove.

Anderson's remains were removed to the Klaehn & Melching undertaking rooms and prepared for burial. Anderson was 60 years of age, and there are a number of relatives in this county. He had never married. The funeral will probably be held from the undertaking rooms Sunday afternoon at 1:30. The interment will occur at Hadley.

The remains of George Shaffer will be interred beside those of his wife at Five Points, the funeral being held from Wellman's undertaking rooms Saturday morning at 9 o'clock.

The remains of Anna James are still at the Peltier morgue, awaiting a claimant. Hundreds of people have called there to view the gruesome sight since the discovery of the bodies Wednesday afternoon.

THE NEWS OF THE POLICE

SALOONKEEPER FINED FOR SELLING TO MINERS.

Aftermath of the Post-Christmas Social Session in Police Court—Other News.

In the absence of Judge Louttit. Special Judge Bittenger this morning again presided at police court. The street car racket detailed in Wednesday and Thursday's papers bore tangible fruit this morning. Conductor Dustman filed an affidavit against Edward Wefel, better known as "Fatty" Wefel, charging him with assault and battery. After a lengthy trial, involving much testimony and very little evidence, "Fatty" was soaked to the tune of $50 and costs, altogether amounting to $65.50. Wefel's father was in court and stayed the docket for ninety days. The suit was pressed by the street car company.

John Mason was arrested by Pennsylvania Officer Bates last night on the company's right-of-way, and slated for intoxication. He offered no defense and was sent over for eleven days.

The aftermath of the arrests of Frank Wing and Fred Snyder on Wednesday for intoxication came this morning, when Joseph A. Fricke was arraigned, charged with having sold the boys liquor, knowing them to be minors. Fricke is a bartender at the Schmitt saloon, on Chicago street, and to the charges he entered a plea of not guilty. The evidence of the boys was conclusive and to the facts alleged Fricke did not enter any denial, basing his defense on the statement that he presumed the boys were of age and saying that anyone could be readily deceived by their appearance. Judge Bittenger took a different view of the matter and said that no one would believe Snyder to be even 17 years of age, that being the age he gave. The judge delivered a lengthy oration in measured cadence, the final strain of which conveyed the general idea that Mr. Fricke was mulcted in the sum of $20 and costs for selling liquor to Frank Wing. In the Snyder case the judge said he would await further evidence until tomorrow morning, but subsequently he dismissed the case altogether. Explaining his later action he said that he had learned that the saloonkeeper, who would eventually have to pay Fricke's fine, has not been a frequent offender and that he thought the one fine was sufficient for the lesson it was intended to convey.

A little fellow who gave his name as Frank Stefano and his home as Buffalo, had to be waked up when his name was called. He was found under a seat on a Nickel Plate eastbound train last night and was sent to the city prison for safe keeping. No charge was placed against him, it being the intention of the officers to administer a reprimand and send him out of town. He was too sleepy to understand what was going on, but was finally waked up sufficiently to give his name and tell where he was from. He said he ran away from home at Buffalo a week ago last Monday and went direct to Chicago. He had a little money when he got there, but it is all gone now. Yesterday he concluded to go back home where his pa lives and got as far as Fort Wayne when he was rounded up. He was rather neatly dressed and altogether too clean to pass as a juvenile tramp. He was taken back down stairs and given a place to sleep, and this afternoon he will probably be sent on his way to Buffalo.

S. Baum, the Harrison street commission merchant, reported that some bad boys had broken a glass door at his establishment last night.

Two bundles of laundry were stolen from the porch of the house at No. 322½ West Washington street last night.

Two young lads named Fordham and Sites were practicing with a target gun yesterday afternoon, when a bullet went astray and passed through a door, lodging in the plastering on the wall of the residence of W. H. Fisk, at the corner of Fox and DeWald streets. No damage was done and the thoughtless boys were more thoroughly frightened than the inmates of the house.

OBERLIN WINNING GIFT.

Oberlin, O., Dec. 27.—The trustees of Oberlin college met today to take action relative to the provisional gift of $200,000 made by J. D. Rockefeller, who some time ago stated that he would give that amount if the college would secure subscriptions amounting to $300,000 from other sources by Jan. 1. Reports made at today's meeting indicated that the trustees had secured all but $38,700 of the required amount. Trustee J. G. W. Cowles will go to New York tonight to ascertain if Mr. Rockefeller will make his gift on this basis. The trustees will meet in Cleveland next Tuesday to receive Mr. Cowles' report.

ELECTRIC LINE MEN HERE.

D. J. Cable, of Lima, O., who is the moving spirit in the proposed interurban line connecting Fort Wayne and Lima, arrived in the city at noon today in company with Messrs. F. P. Edson and H. Heyman, of Van Wert, who have been securing right of way for the new road. It is understood that Mr. Cable's visit to Fort Wayne at this time is for the purpose of looking over the interurban situation in this city.

LOCAL LINES.

E. W. Miner, of the Garrett Herald and the Auburn Courier, was in the city on business today.

John Double, the well known feed yard proprietor, is quite ill at his home on East Main street.

Frederick Scheumann, the funeral director, has gone to Mt. Clemens, Mich., for medical treatment.

Mr. and Mrs. L. Lehman, of Cincinnati, Ohio, are in the city, the guests of Mr. and Mrs. Ben Lehman.

The Fort Wayne Jewish Sabbath school today, through Rabbi Frederick Cohn, made a contribution to the McKinley national monument fund.

Miss Lottie Racine last evening entertained the North Side Pedro club, Mrs. K. Harber winning first prize and Mrs. John Young the consolation.

WHERE DID POMPEIIANS GO?

Max Nordeau raises an interesting question concerning Pompeii. He writes as follows to the Neue Freie Presse (Vienna): "One thing has always been a puzzle to me. Here was a flourishing city of about thirty thousand inhabitants, most of whom evidently were well to do. A few hundreds, at most, lost their lives in the destruction of the city; the rest escaped. The eruption of Vesuvius continued only a few days, after which the district returned to its usual placid condition. In many places the deposit of ashes and lava was only a yard thick, and it was not more than three yards thick at any point yet excavated. How did it happen that these 30,000 homeless showed no desire to return to their beautiful houses, so well built that they are standing to this day, and which could have been restored at the time with very little labor? Why did they not make the slightest attempt to regain their valuable property in land and buildings, furniture, bronze, marble, gold, silver and jewels? Were the Pompeiians so rich that the loss of their perfectly appointed homes appeared trivial to them, so that they preferred settling elsewhere to restoring their city? Or did superstition prevent the attempt?"

The French Academie de Medecine has been much excited over a new dental apparatus which combines the administration of gas with phonographic musical selections. While you are inhaling the one you are likewise drinking in the other, and the result is said to be "a most agreeable sensation."

The American peanut is in successful competition with those of India and Algiers in the French market.

YOU DO NOT KNOW

what is the matter with you—feel all out of sorts. Are constantly troubled with sick headaches—you're not up to things and are cross and irritable. Bilious too, perhaps, and constipated. Your breath is offensive; you have a bad taste in your mouth and don't enjoy your food.

You have bad attacks of "the blues"—nothing seems worth while and you are altogether miserable in mind and body. Probability is you are taking headache powders for your headaches—they allay them for the time, but only for the time. Then you are taking pills and strong cathartics for your constipation and breath sweeteners for your bad breath.

None of these things get at the seat of the trouble and as the days go on you get worse instead of better and you will continue to get worse on this treatment. You are trying to cure effects instead of causes—the trouble is all in one place

IT'S YOUR STOMACH

Fact is when you sift the whole thing down, disorders of the stomach are responsible for nine-tenths of the ills that human flesh is heir to and if you will keep your stomach right you can be pretty sure of good health.

Cure your stomach and you will cure the rest. Get it in good condition and keep it so and you will be able to stop all the dosing and constant physicing that seem necessary to you now.

There is only one thing for this purpose—a gentle, corrective laxative that assists nature (does not force it), puts the stomach in its normal condition, aids digestion and tones the whole system up. It is a carefully prepared compound of efficacious remedies made according to the formula of a prominent and successful physician, and used by him for many years in his regular practice and is known as

DR. CALDWELL'S SYRUP PEPSIN HERB LAXATIVE COMPOUND

All druggists sell it. Ask yours. If he hasn't it send postal for free sample bottle and interesting book.

ROOSEVELT'S DOUBLE.

"The president's in the secretary's office," whispered an excited messenger to the officials and clerks he met in the offices and corridors of the navy department last Tesday morning. No president since General Grant had visited any of the executive departments, and the messenger's report naturally caused some excitement among the employes. All of them knew President Roosevelt through his services as assistant secretary, and most of them made it convenient to drift into the secretary's ante-room with a view of seeing the president. They did not see him, however, because he was not there. But they did see Representative Moody, and the messenger's mistake was understood at once. Every president has a double, and Mr. Moody is President Roosevelt's. To those who know them both well there are many points of difference in their appearance, but all other persons might easily mistake one for the other, and it has often occurred outside of Washington.—Washington Star.

NEW RING-MAKING MACHINE.

An ingenious labor-saving machine, which will completely revolutionize the finger ring manufacturing industry of England, has been devised by Mr. C. P. Denkin, a Birmingham jeweler. This machine effects in one almost instantaneous operation the work of several men. A signet ring fresh from the mold is placed in one tool of the Denkin invention, and within the space of a few seconds the inside is fixed, polished and lapped. The treatment of the face of the signet is equally simple and rapid. By means of an ingenious device it is clamped and trained to a revolving surface of special design. In a short space of time the face is finished to perfection, whereas at present the ring has to pass through the hands of four skilled workmen. The process is so simple that it can be worked by a boy or girl, which means a considerable economy in the cost of production.—Scientific American.

MONTANA SAPPHIRES.

In four places in Montana sapphires of high grade are found. These are at Rock creek, in Missouri county, where stones of many tints, some of them exceptionally beautiful, are found in quantity; on the Missouri river, between Canyon Ferry and American bar, where sapphires of bluish green, blue and white are taken out in large quantities, on Cottonwood creek, in Deer Lodge county, where the stones are similar in variety to those on Rock creek, and at Yogo, in Fergus county, seventy-five miles northeast of Helena, near Utica, where the stones are exceptionally beautiful, being of the bright blue, and, while not as dark as the Ceylon stones, they have a richness and brilliancy not equaled by the oriental stones. The Yogo sapphires are found in a well-defined lead cutting across the limestone for several miles.—Popular Science News.

WRECKED BY BROKEN RAIL.

Trinidad, Col., Dec. 27.—A special from Barela station says that passenger train No. 1, northbound, on the Colorado and Southern railroad, which was due at Trinidad at 8 a. m., was wrecked by a broken rail four miles south of Barela station early today. The day coach, cafe car and sleeper left the track. Immediately the wreckage took fire and only by rapid work were the passengers all rescued. The sleeping car was entirely consumed. Four passengers were injured, one seriously.

HIS GUN KICKED HIM OFF.

Cherokee, Wyo., Dec. 27.—The 18-year-old son of J. Swam was perhaps fatally injured today while hunting. While crossing a trestle on the Illinois Central railroad, twenty-five feet high, he saw a rabbit running under the bridge and shot at it. The recoil of the gun knocked him from the structure to the ground, breaking his shoulder and injuring the spine. He was brought to the city in a dazed condition.

A SYSTEM OF RURAL BANKS

CONGRESSMAN M'CLEARY HAS PLAN IN MIND.

Making Extensive Inquiries Before Introducing Bill to Provide Such Facilities.

Washington, Dec. 27.—Representative McCleary, of Minnesota, has addressed the following letter to some twenty-five hundred persons, those addressed be representative men in each state and territory in the union:

"It has been suggested to me by several gentlemen interested in national banks and desirous of rendering them as useful as possible to the communities in which they are located, that it would be well to amend the national bank act so as to permit national banks in the smaller places, where the clientele of the bank is largely rural, to loan a portion of their resources on real estate security. If the proposition seems wise to those who have practical knowledge of such matters, I may introduce a bill after the holidays providing for the amendment. With that in view I desire the benefit of your judgment in the matter, and I will appreciate an early answer to the following questions:

"1. Do you believe that such an amendment would be in the public interest? If so, why? If not, why not?

"2. If your first answer be affirmative, where would you draw the line between those national banks that may and those that may not make such loans? Would you make the capitalization of the bank or the population of the town where the bank is located the basis of such classification? Why?

"3. Just what percentage and of what would you specify in the amendment? That is, would you grant the permission as to a certain percentage of the capital of the bank are as to a certain percentage of its loanable funds? Why? (Suggestions running from 25 per cent. to 40 per cent. of the capital of the bank have been made.)

"4. Would you limit the operation of the amendment to farm loans or would you include town property? Why?

"5. Would you permit loans under the amendment on first mortgages only, or would you permit such loans as meet the approval of the board of directors? Why?

"6. Would you require that all loans under the amendment should have the approval of the directors before being made? Why?

"7. Have you any other suggestions as to the safe operation of the amendment is it should be made?

"8. Are you willing to have me quote you on the above points in any remarks that I may make on the subject?"

ASSASSINATION OF PREACHER.

Paris, Tex., Dec. 27.—The people of this city and surrounding country are still greatly excited over the assassination of Rev. J. N. McClinton, a preacher and farmer near Deport. It is said that Rev. Mr. McClinton's dying statement implicated two persons, one of whom, Howard McGill, a farmer, has been arrested. The horse owned and supposed to have been ridden by the other man implicated in the preacher's dying statement was found badly wounded near the scene of the tragedy, two or three buckshot having penetrated his shoulder. The other man has not been found.

CHURCH STEEPLE MYSTERY.

Birmingham, Ala., Dec. 27.—The decomposed body of a man was found in the steeple of Mt. Zion African M. E. church, on the Gate City car line, about three miles from this city, by two hunters, yesterday afternoon. Owing to the condition of the body the coroner cannot say whether it is that of a white man or a negro. The dead man was well dressed and by his side was a large knife. The body lay on three blankets and it is a mystery how it got into the steeple, as the only entrance is an eighteen-inch hole in the belfry. The hunters had gone into the church to get out of the rain and detected the body by the odor arising therefrom.

GEN. MILES RESUMES DUTIES.

Washington, Dec. 27.—Lieutenant General Miles has resumed his duties in command of the army at his office in the war department. It is said that he has decided to accept the situation with the best possible grace and will say or do nothing to continue the controversy. So far as known the incident will cause no decided change in his prearranged plans, official and social, for the future.

BIG ASSIGNMENT MADE.

New York, Dec. 27.—Alexander M. Orr, of New York, has filed an assignment to Joseph C. Behan, of Troy, N. Y., which was acknowledged in Troy on Dec. 21. The assignment states that it is for the purpose of paying his liabilities individually and as a member of the firm of Orr & Co., paper manufacturers in Troy, who had an office in this city. The firm was succeeded in July last by the Orr Paper Co., which went into the hands of receivers in November wth liabilities of $400,000 and nominal assets $821,000. Alexander M. Orr was the president of the company.

GOVERNOR ROGERS DEAD.

Tacoma, Wash., Dec. 27.—Gov. J. R. Rogers, who had been critically ill with pneumonia for several days, died here at 3 o'clock last night. The immediate result will be a revolution in the political complexion of the state government. Governor Rogers, who was sixty-four years old, was elected as a populist on a fusion ticket both in 1896 and 1900. Lieutenant Governor McBride is a republican, and as such will change all appointive state officers. These include members of the state board of control, having the management of all state institutions; labor commissioner, librarian, grain inspector, fish commissioner, mining inspector, dairy and food commissioner, horticultural commissioner and adjutant general, while many minor officers will be changed through reorganization of the board of control. While president of the senate during the last legislative session Lieutenant Governor McBride fought the railroad lobby and worked for the minimum rate bill and a railway commission. It is believed he will join Governor Van Sant, of Minnesota, in fighting James J. Hill's railroad combination. He was formerly superior judge of Skagit county.

EPIDEMIC AT MICHIGAN CITY

Michigan City, Ind., Dec. 27.—More than a thousand people in this city are afflicted with stomach and bowel troubles, and opinion is divided as to the cause of it. Sunday morning the water works intake from the lake became clogged with ice, and an emergency pipe to the harbor was connected with the water works. For twenty-four hours the harbor water was pumped into the mains, and people used this water for drinking and for household purposes until they discovered that it was impure. Opinion is divided as to whether the water caused all the sickness, for many who use well water are afflicted with the malady with which the users of harbor water are affected. Physicians have divided opinions on the subject, and the general opinion is that the disease is winter cholera due to peculiar atmospheric conditions.

MET A PECULIAR DEATH.

Ligonier, Ind., Dec. 27.—William Knappenberger, 82 years of age, and a pioneer resident of this section, is dead as the result of a peculiar accident on Tuesday evening. Knappenberger was riding astride a binding pole upon a load of hay when one end of the pole became unfastened and Knappenberger was thrown from the loaded wagon. He lay for four hours in the cold before he was found by a neighbor and taken home. It was found that one hip was broken and on account of his advanced age and the exposure he met with while lying helpless in the road, it was impossible to save his life.

WILL BREAK ALL RECORDS.

New York, Dec. 27.—According to the Journal of Commerce in commercial circles it is generally conceded that January disbursements for 1902 on account of interest and dividend payments will break all records. Estimates of New York disbursements alone run as high as $150,000,000, while the total disbursements at New York, Boston and Philadelphia have been placed at above $200,000,000. The aggregate dividends already declared of industrial companies for January next, including the closing days of December, amount to $25,044,996.

HEAD CRUSHED OFF.

Warren, Ind., Dec. 27.—Elmer Sprowl, an oil pumper for the Sun Oil company, was instantly killed in the oil field four miles east of this city yesterday afternoon by falling on the bed of a gas engine under the crank shaft. He was a son of John W. Sprowl, of Liberty Center, was twenty-five years old and left a wife but no children. The top of his head was crushed off and his body was terribly mangled.

THE MARKETS.

Chicago, Dec. 27.—Reports of reselling at New York and weaker outside markets influenced wheat at the opening today. May selling ¼@½c lower at 82⅛@82⅜c. Country buying, although more moderate than yesterday's, steadied the market and May rallied to 82⅝c. Local receipts were 64 cars, none of contract grade. Minneapolis and Duluth reported 513 cars, making a total for the three points of 577 cars, against 393 last week and 344 a year ago.

May wheat declined to 82c later because of the cheapness of that option at Minneapolis and Duluth, and closed steady at that figure, ⅜c under yesterday.

Corn was dull but steady following an easy opening in sympathy with wheat. May opened ¼@⅜c lower at 66⅜c to 66⅝c and advanced to 66⅞c. Receipts were 189 cars.

The close was easy, May ⅜@½c lower, at 66⅛@66⅜c.

Oats were dull and featureless. May opened ⅛c lower at 45⅜c in sympathy with wheat and corn and reacted on a small trade to 45⅜c. Receipts were 246 cars.

Provisions were firm and fairly active, the good demand of yesterday having abated but little. May pork opened 15@25c higher at $17.40@17.50 and sold to $17.35; May lard 5@15c up at $10.10@10.20, touching $10.22½, and declining to $10.15@10.17½, and May ribs 10@12½c to 20@22½c improved at $8.90@9.00, selling to $8.85 and back to $8.90.

THE DAY ON WALL STREET.

New York, Dec. 27.—Railroad stocks were taken in round amounts at the opening at sharp advances, especially the trans-continentals and coalers. Missouri Pacific advanced a point and Manhattan 1¼. The highly speculative industrials were unsettled. Sugar rose ¾ and then ran off to below last night. Amalgamated Copper opened off ⅝, but recovered it. Westinghouse Electric lost a point.

Sugar met support when it touched 111½ and was quickly rushed up to 113, which represented a gain over last night of 2¼. Smultaneous bidding up of Amalgamated to 69 ex-dividend and Manhatten to 138 completed the rout of the shorts. The coalers and trans-continental stocks moved up strongly. Buffalo, Rochester and Pittsburg preferred advanced 3 points. Westinghouse Electric rallied 3 and the first preferred sold at 187, a rise of 30 points since the previous sale last month. Profit-taking subsequently lowered Sugar and Amalgamated 1 to 1½ points and temporarily checked the buying elsewhere. Toward 11 o'clock People's Gas and Brooklyn Transit were marked up over a point and the general advance was resumed.

The successful marking up of Amalgamated, Sugar and Manhattan encouraged long buying throughout the market. Sugar continued foremost in the movement and touched 116¼, St. Paul, Union Pacific, Metropolitan Street Railway, Consolidated Gas, Chicago, Indianapolis and Louisville stocks, International Paper, Pullman, New Jersey Central, Pacific Mail and Lead, common and preferred, gained 1 to 1½. Lake Erie and Western rose 3¼. A later relapse of 1½ in Sugar caused some hesitation and Amalgamated rose to 71½ without effect on the market.

Bonds were firm.

THE MONEY MARKET.

New York, Dec. 27.—Money on call firm at 6½ per cent; prime mercantile paper, 5@5½ per cent; sterling exchange barely steady with actual business in bankers' bills at $4.86¾@4.86⅞ for demand and at $4.83⅞@4.83⅝ for 60 days; posted rates, $4.84@4.84½ and $4.87½; commercial bills, $4.82⅝@4.83½; bar silver, 55½c; Mexican dollars, 43⅜c.

PRESIDENT MUCH INTERESTED.

Paris, Dec. 27.—Baron Coubertin, president of the Olympic games, has just received a personal letter from President Roosevelt, in reply to the invitation sent to the latter asking him to become president of the Olympic games to be held in Chicago during the year 1904. Mr. Roosevelt says he will lay the whole matter before the cabinet and that, so far as he himself is concerned, he takes the keenest interest in the undertaking and will do his utmost to make the meeting at Chicago as successful as the last one, held at Athens. Mr. Roosevelt's letter is couched in the warmest terms. He referred to Baron Coubertin's works on sports, with which the president showed acquaintance. Baron Coubertin, who was much touched by Mr. Roosevelt's kindly reference to himself, said the president's acceptance would, in view of his enthusiastic support of all manly sports, cause the greatest pleasure to all concerned in the games.

TAYLOR ELECTED

FOURTH VICE PRESIDENT OF THE PENNSYLVANIA.

WOOD ADVANCED IN RANK

BECOMES SECOND VICE PRESIDENT OF THE COMPANY.

PITTSBURG MEN HEAR NEWS

THEIR WAGES ADVANCED ON FIRST OF YEAR.

Philadelphia, Dec. 27.—The directors of the Pennsylvania company, which includes the Pennsylvania railroad lines west of Pittsburg, at a meeting here today, elected E. B. Taylor, general superintendent of transportation, to the office of fourth vice president. The election was held to fill the vacancy caused by the death of J. Irving Brooks, second vice president. Joseph Wood, third vice president, was advanced to the office of second vice president, and J. J. Turner, fourth vice president, succeeds Mr. Wood. Mr. Taylor will have charge of the treasury and accounting department; Mr. Wood will be in charge of the traffic department, and Mr. Turner in charge of transportation and real estate. James McCrea, first vice president, assumes charge of the law department in addition to his other duties. A dividend of 3 per cent., the first since 1894, was declared.

GAVE AWAY NUGGETS.

On Christmas morning Nickel Plate Engineer H. W. Frase received a box from his brother, Frank Frase, who is a gold miner in the Klondike. The box contained eleven large gold nuggets, one each for the members of the Frase family now residing in this vicinity. The gold was taken from Frank Frase's claims, which are said to be exceedingly rich in that kind of metal.

Engineer George Likely, of the Nickel Plate, is off duty on account of the death of his wife's grandmother, Mrs. Hannah J. Kitselman.

A "HOODOO" ENGINE.

Engine No. 555, on the Queen and Crescent road, is fast gaining an unenviable reputation as a "hoodoo." M. Neal, a landlord at Williamstown, Ky., was killed on Christmas and precisely three weeks before J. P. Northcutt was killed at the same place and hour by the same engine. A few weeks ago this engine left the rails at that point and turned over on its side, slightly injuring Engineer Peter Moffet. The latter was also at the throttle when the two men mentioned were killed.

REMEMBERED FORMER CHIEF.

William H. Tigar, now engaged in a special way in the transportation department of the Pennsylvania, was the recipient of an elegant gold watch on Christmas day. The timepiece was the present of the operators on the western division, over whom Mr. Tigar once presided in the capacity of chief dispatcher, or division operator, as the office is now known. Many of the contributors towards the present were apprentices during Mr. Tigar's administration and were the recipients of many favors at his hands at that time. He was uniformly just and kind in his treatment of the men and the watch is a token of appreciation and recognition of this fact.

WABASH TRAIN SCHEDULE.

Col. R. G. Thompson last night received a proof sheet of a train schedule the Wabash will put into effect January 1 and which will give Fort Wayne another excellent service to the east and west, including the famous "Continental limited," Nos. 1 and 4. By the latter train a passenger can leave Fort Wayne at 4:40 in the afternoon and arrive in New York at 3:30 the following afternoon, or at Boston at 5:20 p. m. Colonel Thompson announces that there will be reclining chair cars and sleepers through to New York and Boston and St. Louis and Kansas City without change. The schedule is as follows:

EASTBOUND.

No. 2	5:43 a. m.
No. 12	6:20 a. m.
No. 8	8:38 a. m.
No. 6	11:42 a. m.
No. 4	4:40 p. m.
No. 24	6:30 p. m.

WESTBOUND.

No. 9	5:48 a. m.
No. 7	9:37 a. m.
No. 1	11:07 a. m.
No. 5	5:47 p. m.
No. 13	8:05 p. m.
No. 3	8:45 p. m.

In the foregoing the leaving time of the trains is given. The message conveying the new schedule to Colonel Thompson simply stated that eastbound travel would be via Toledo and the Michigan Central road. The Detroit News is more explicit. That paper says that, "beginning January 1, St. Louis trains on the Wabash will leave Detroit as usual, but run from Delray to Toledo over the Michigan Central tracks and thence to St. Louis on the Wabash. Passengers from Adrian and other points between Detroit and Montpelier will be sent to St. Louis via Chicago."

ADVANCED WAGES.

Supt. J. B. McKim sprang a surprise upon the trainmen and enginemen on the western division of the Pennsylvania lines, when he caused to be posted this morning bulletins announcing a raise in their wages. The increase is as follows: In the passenger service—Conductors running east, 15 cents per trip; running west, 20 cents per trip; brakemen, 10 cents per trip; baggagemen, 15 cents per trip. Engineers and firemen will receive increases in proportion to the foregoing, but the figures have not been given publicity. In the freight service the increase will be one cent per hour all around, which is practically the same as the increase in the passenger service. When questioned concerning a rumor that the Grand Rapids and Indiana road contemplated a similar increase in wages, Supt. J. W. Hunter admitted that there was to be a revision of the wages which would result in an increase January 1, but stated that the matter had not reached the point where figures could be accurately given.

TIRED OF NIGHT WORK.

C. V. Jennings, night yardmaster of the Wabash, has tired of night work and has made a request that he be given a day job, which request will be granted. This will bring about other changes at the Wabash yards, which will be announced in due time. Mr. Jennings is a popular fellow in railway circles and his friends hope to see him installed in a position to his liking.

WILL BE THE SHORTEST ROUTE.

If the Cincinnati, Hamilton and Dayton road builds the cut-off line it now has under consideration that company will have the shortest route between this city and Cincinnati. President Woodford, of the C., H. & D., has applied to the Ohio canal commission for permission to build a railway on the bank of the Ohio canal from Delphos to Mandale, a distance of twelve miles, to connect the Delphos branch of the C., H. & D. road with the Findlay, Fort Wayne and Western, and it is believed that the commissioners look with favor upon the proposition. With such a line the C., H. & D. would have a route between the Summit and Queen cities only 145 miles long, thirty-one miles shorter than the Lake Erie and Western and twenty-one shorter than the Grand Rapids and Indiana road.

TRANSFERRED TO ROUNDHOUSE

The following men have been transferred from Section Foreman Brown's gang to the Pittsburg round house, where their services are more in demand: William R. Payne, Jacob Bohbaugh, John Mussbaum, William F. Baade, Fred C. Wiehe and Fred Fahling.

ENGINE OUTPUT.

During the present week engines 280, 427, 257, 109, 307 and 173, the latter one of the big E-2 passenger flyers, left the Pittsburg shops and went into service. During the same period engines 212, 235, 127, 190 and 250 went into the shops for repairs.

INDUSTRIAL NOTES.

Pittsburg Engineer E. Blanchard is off duty on account of sickness.

Mrs. Meek, wife of Operator C. H. Meek, of the Nickel Plate, is visiting her parents at Pierceton, Ind.

Boilermaker F. M. Cherry was slightly improved yesterday and was able to converse quite freely for awhile.

Master Mechanic John Dalman, of New Castle, was with his parents, Mr. and Mrs. John Dalman, over Christmas.

Nickel Plate Engineer A. A. Schwind has gone to Ohio to attend the funeral of his father, who died on Christmas.

Engine 81 has left the Nickel Plate shops, fully repaired, and will enter the freight service on the eastern division.

Harry Fitzpatrick, of Sargent & Co.'s, dealers in car supplies, is the guest of his father, Master Mechanic B. Fitzpatrick.

Harry Gumpert, flue cutter at the Pittsburg shops, is improving and will be able to resume work in a few days. He has been sick a week.

Motive Power Superintendent D. F. Crawford, of the Pennsylvania, has returned from Altoona, where he spent Christmas with relatives.

Passenger Conductor S. McMahon, of the Pennsylvania, and his daughter, Miss Ella McMahon, will leave this morning for Grand Rapids, Mich., where they will be the guests for a few days of Mr. McMahon's brother, G. W. McMahon.

C. W. Cran, of the Pittsburg shops, is off duty on account of the death of his grandmother.

Machinist Oscar J. Fraiken, of 32 Oak street, is entertaining his brother, Ed. J. Fraiken, of Wheatfield, Ind.

Mrs. Thieme, of Chicago, is visiting Jacob Waldschmidt, of the Pittsburg planing mills, and his wife. The ladies are sisters.

Mrs. Longhenry, of Chicago, wife of the well known Pennsylvania conductor, is the guest of Mr. and Mrs. H. G. McDole, of 73 Home avenue.

Fireman Leon Studer reported for duty on the Nickel Plate yesterday. He was taken sick Nov. 14 and until today has been unable to work since.

Thomas Kahoe, machinist at the Bass works, has taken a week's layoff for the purpose of visiting friends in Chicago and other cities in Illinois.

James S. Gordon, of the Illinois Car and Equipment company, was here over Christmas, the guest of his father, George P. Gordon, of Leith street.

The large trip hammer operated by William Palmer and his crew at the Bass 'smith shops is closed down for a day or two to allow repairs to the furnace.

Conductor Harry Overholzer and Brakemen J. J. Stephens and Joseph A. Deahl resumed work on the Nickel Plate yesterday after a few days' absence.

George and Leo Koopman, of Great Bend, Kan., and Fred J. Koopman, of Canton, O., are the guests of their uncle, Henry F. Koopman, of the Wabash shops.

Foreman Joseph Slater, of the Bass 'smith shop, left last night upon a tour of the leading Ohio cities in the interest of the company. He will return home Sunday night.

W. W. Atterbury, general motive power superintendent of the Pennsylvania, with headquarters in Altoona, is in the city for a holiday visit with relatives and friends.

A couple of cars were "side swiped" in the east yards early this morning, throwing them over upon their sides and blocking the tracks for awhile. The wreck car was called to the scene.

George Angevine quit the Pittsburg blacksmith shops this morning for the purpose of returning to his trade, that of shoeing horses. He worked in the shops only a few months.

Mrs. Jennie Dul, of Wasson, O., is visiting her brother, Engineer R. G. McDole, of the Pittsburg car shops. Mrs. Belknap, also of Wasson, a cousin of Mr. McDole, is visiting the latter.

William Ehrman, formerly of the Dayton Fan and Motor works, has taken a position in the fixture department of the Electric works. Carl Baker is a new employe in Foreman J. J. Bauer's room.

John Evans, of the St. Louis branch of the Anthony Wayne Manufacturing company, and Bert Evans, secretary of the Deemer Manufacturing company, Chicago, are in the city to spend the holiday week.

Mr. and Mrs. F. P. Smith, of Logansport, who were here to spend Christmas with relatives and friends, returned to their home last night. Mr. Smith is master mechanic of the Logansport division of Pennsylvania lines.

Among the shipments from the Electric works today were a 60-light arc machine to Sinclairville, O., and a 15-light arc machine to Tunkhannock, Pa. All the necessary station equipment accompanied each dynamo.

James Young, W. P. O'Brien, Al Throckmorton, John Boone and D. A. Wolford, of the Pittsburg shops, are sick. L. A. Watterson is off duty on account of an injury. Frank Opatz is attending to some private business.

Master Car Builder James A. Graham, of the Pittsburg, celebrated the anniversary of his birth on Christmas day. He modestly refrans from gving figures, but it is safe to say that he has passed the thirtieth mark.

The following gentlemen who had been out of the city to spend Christmas resumed their respective places in the Electric works and offices this morning: John Moring, H. A. Anderson, Stuart Rehrer, John Horstman and Bert Piquinet.

Harry Sherlock, a brakeman on the Santa Fe road, with headquarters in Chillicothe, Ill., and his family are visiting friends in the city. Mr. Sherlock formerly resided in this city and worked at different times on the Grand Rapids and Indiana and the Nickel Plate.

The cars have at last arrived for the big shipment of machinery from the Bass works to Monessen, Pa., and as fast as possible they will be loaded and sent forward. Two car loads left yesterday and another today and two car loads will leave tomorrow.

Colonel Robert Andrews, who has just been elected president of the Safety Car Heating and Light company, of St. Louis, was, twenty years ago, general superintendent of the Wabash, and Andrews, for a number of years a division point, was so named through his influence. Before that town became a division point it was known as Antioch and it had less than 200 inhabitants.

THE PROTOCOL IS APPROVED

ARGENTINA AND CHILE WILL NOT GO TO WAR.

Changing of a Word by Chilian Minister is an Incident That Has Been Exaggerated.

Buenos Ayres, Dec. 27.—Via Galveston, Texas.—The Nacion says the Argentine-Chilian protocol has been definitely approved by Dr. Alcorta, the Argentine minister of foreign affairs.

It is further asserted that the incident arising from the changing of a phrase in the protocol by the Chilian minister of foreign affairs, Senor Yanez, has not the importance attached to it by some of the newspapers here.

AN UNPLEASANT INCIDENT.

New York, Dec. 27.—A new incident has risen on the Chilian question which may annul the proposed settlement, says the Buenos Ayres correspondent of the Herald.

A Santiago dispatch says that Minister Portela has discovered that one word in the protocol had been changed by the Chilian minister of foreign affairs.

Minister Portela signed the protocol, believing the document to be an exact copy of that recorded by both governments. He is now claiming modification of that word, and has declared that if Chile does not accept that modification he will leave Santiago and annul all that has been done.

WILL NOT DISARM.

New York, Dec. 27.—Although a protocol has been signed settling the controversy between Argentina and Chile, the Argentine minister of war has announced that it will neither mean a suspension of military preparations nor affect the call of the reserve into active duty, says the Buenos Ayres correspondent of the Herald. The newspapers announce that hostile demonstrations are likely to take place tonight (Friday) when the protocol is published.

FRANCE MAKES PROTEST.

Paris, Dec. 27.—The foreign office here confirms the report from Port of Spain, Trinidad, that the government of France has notified the Venezuelan government that the rights of M. Secrestat, of Bardeaux, have been infringed by the seizure of the property in Venezuela of Senor Manuel A. Matos, the leader of the new revolution against President Castro. The French government holds that the property no longer belongs to Senor Matos, as he had leased it to M. Secrestat, and that the Venezuelan government is bound by the recognition of M. Secrestat's title by the Venezuelan consul here, before whom the whole matter came up. The French government does not anticipate and complications will arise on account of its representations on the subject to Venezuela, and is not considering the adoption of measures to enforce the claims of M. Secrestat, as it expects the question to be settled in a few days. M. Secrestat's son has left Bordeaux for Venezuela to arrange the matter.

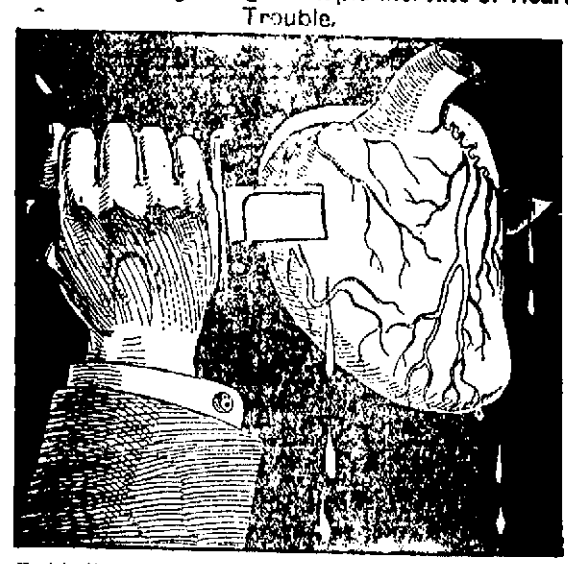
Heart Disease

Some Facts Regarding the Rapid Increase of Heart Trouble.



Heart trouble, at least among the Americans, is certainly increasing and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, or poor digestion.

Real organic disease is incurable; but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by the same great nerves, the Sympathetic and Pneumogastric.

In another way, also the heart is affected by the form of poor digestion, which causes gas and fermentation from half-digested food. There is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises palpitation and short breath.

Poor digestion also poisons the blood, making it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation like Stuart's Dyspepsia Tablets, which may be found at most drug stores, and which contains valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Mrs. Lydia Bartram, of Assyria, Mich., writes: "I have suffered from stomach trouble for ten years and five different doctors gave me only temporary relief. A Mr. E. R. Page advised me to try Stuart's Dyspepsia Tablets and four boxes did me more permanent benefit than all the doctors' medicines that I have ever taken."

Mrs. G. H. Grotsley, 538 Washington St., Hoboken, New Jersey, writes: "Stuart's Dyspepsia Tablets just fill the bill for children as well as for older folks. I've had the best of luck with them. My three-year-old girl takes them as readily as candy. I have only to say 'tablets' and she drops everything else and runs for them."

Miss Lelia Dively, 4627 Plummer St., Pittsburg, Pa., writes: "I wish everyone to know how grateful I am for Stuart's Dyspepsia Tablets. I suffered for a long time and did not know what ailed me. I lost flesh right along until one day I noticed an advertisement of these tablets and immediately bought a 50-cent box at the drug store. I am only on the second box and am gaining in flesh and color. I have at last found something that has reached my ailment."

Phil Brooks, Detroit, Mich., says: "Your dyspepsia cure has worked wonders in my case. I suffered for years from dyspepsia but am now entirely cured and enjoy life as I never have before. I gladly recommend them."

Full-sized package of these tablets sold by druggists at 50 cents. Little book on stomach troubles mailed free. Address, F. A. Stuart Co., Marshall, Mich.

Mrs. Charles Merritt, of West Third street, will entertain at progressive pedro this evening in honor of Mrs. Rudy Cummerow, of Toledo.

There was a family reunion at the home of Mr. and Mrs. John H. Lange, 327 South Calhoun street, Christmas, nine of ten children of the family being present at the dinner table, as follows: Mrs. Charles Stellhorn, Henry, Fred, Harmon, John, W. C., Louis and the Misses Mary and Minnie Lange. The dining room decorations were done in holly and ferns with perfect effect.

WRECKED BY BROKEN RAIL.

Trinidad, Col., Dec. 27.—A special from Barela station says that passenger train No. 1, northbound, on the Colorado and Southern railroad, which was due at Trinidad at 8 a. m., was wrecked by a broken rail four miles south of Barela station early today. The day coach, cafe car and sleeper left the track. Immediately the wreckage took fire and only by rapid work were the passengers all rescued. The sleeping car was entirely consumed. Four passengers were injured, one seriously.

HIS GUN KICKED HIM OFF.

Cherokee, Wyo., Dec. 27.—The 18-year-old son of J. Swam was perhaps fatally injured today while hunting. While crossing a trestle on the Illinois Central railroad, twenty-five feet high, he saw a rabbit running under the bridge and shot at it. The recoil of the gun knocked him from the structure to the ground, breaking his shoulder and injuring the spine. He was brought to the city in a dazed condition.

Christmas Presents

...For the Little Ones...

This Coming Saturday, December 28th

In order that many of the little ones won't be disappointed, we have concluded to add enough packages to the window to make 1000 in all, and on Saturday of this week each boy or girl that will call between the hours of 8:30 and 10 o'clock, will be entitled to one of these remaining packages free of charge.

These packages were left over from our great 25 cent sale and include only choice and fine goods.

This sale being exclusivly for children, only those between the ages of 6 and 8 will be allowed to enter the store during this sale.

J. L. SIEVERT, Wholesale and Retail Jeweler.

CARD OF THANKS.

We desire in this manner to thank our neighbors and friends and especially Rev. Lange and the different societies for their kind assistance during the sickness and death of husband and father.
